

Magnolia Place Subdivision Residents Association, Inc.

Request for Board of Directors Restriction Review

In accordance with the Declaration of Restrictions for Magnolia Place Subdivision residents are required to obtain Board of Director approval for any improvement, structure or appurtenance defined as anything placed, constructed or permitted to remain upon any lot. Requests must include detailed information about the type, style, color and finish of all materials and show the location of the planned project on their property. The Board will review the request in accordance with Magnolia Place Subdivision Residents Association, INC. Restrictions and grant approval if the project is not in violation of any restriction.

Property owners are responsible to obtain required permits from applicable zoning and building authorities and adhere to current building codes and ordinances.
