### ***Old Business***

There was no old business to report.

### ***New Business***

Pole Barn for Auctions James Cole approached the planning commission with questions on how to proceed. After discussion the planning commission determined that this would be treated as a major land development and walked him through the process and required paperwork to be sent to the county. The commission would review his paperwork at the June meeting. As there were no major land development issues the commission moved to allow Mr. Cole to proceed with his application (motion by Larry Wilson, seconded by Sally Fischbeck).

Motion to adjourn at 6:58 PM by Sally Fischbeck and second by Larry Wilson.  
Motion passed.

Respectfully submitted:

Robert Schreiber

Secretary
