The Daytona Flea Market opened to the public in the spring of 1981. Long before superstores and the internet came to be, the market was a veritable hub of products from around the country and around the world. Take a look at our beginnings!

MARKET FEATURES:

The Daytona Flea Market is one of Florida's largest flea markets. The Market spreads over **forty big acres** and houses hundreds of vendors selling thousands of different items. It is the area's **largest tourist attraction** and has bargains galore - a wonderful place to do your **souvenir shopping** and buy fresh citrus to take home with you.

"Rain or Shine," we have you covered, so come out and browse under our **cool covered** bargain areas with paved floors for easy walking. When you visit, be sure to try our "World Famous Funnel Cakes" and other tasty treats provided throughout the Market.

Handicapped parking and clean restroom facilities are also provided.

Have fun on the **World's Most Famous Beach** - Now visit **Florida's Best Flea Market** for more fun.
