We strive to encourage our students to meet their highest potential through a combination of faculty leadership, personal attention and technical training. At Arthur’s Beauty College, our students receive a solid foundation of knowledge and skills on which to build a successful future.

HIGH SCHOOL DIPLOMA POLICY

Diplomas are gathered at each campus upon enrollment. The Financial Aid Coordinator verifies the validity of anything other than a state issued high school diploma.

For Online Diplomas:

1. Ed.gov website is checked to verify which accrediting agencies the Department of Education recognizes.
2. The website for the institution in question is checked for accreditation status and who the accrediting agency is. The institution's accrediting agency must be on the approved accrediting agencies list on ed.gov.
3. If we cannot verify that the online diploma is valid, we do not accept the student into our program.

GED:

We accept GED Diplomas or GED Transcripts, provided that the Transcript clearly states that the Examinee has passed the test.

Home School Diploma:

Arkansas Department of Education recognizes and governs home schools and defines a "home school" to be a school provided by a parent or legal guardian for his or her own child (Arkansas Codes 6-15-501 through 6-15-509). Home school students must have evidence of completion of home schooling that state law treats as a home or private school. If the state issues a credential for home schooling this must be provided for enrollment.

Private School Diplomas:

We accept diplomas from private schools; however, we will require a transcript. The transcript will be checked for verification of the state's core curriculum.

Foreign High School Diploma:

We require evidence from an outside agency that is qualified to translate documents into English and will confirm the academic equivalence to a U.S. high school diploma.

VERIFICATION OF STUDENT IDENTITY POLICY

Arthur’s Beauty College uses a secure access code and unique password to ensure that the student who registers for a program is the same student who participates in the program. Arthur’s Beauty College uses the Milady MindTap “Learning Path” application to ensure measurable participation. This application will ensure that the student has, in fact, participated for the requisite amount of time in the distance education element of the program to be awarded each clock hour. The school uses the

Milady MindTap “Learning Path” application in which a student’s progress, through a module of instruction, is virtually tracked and verified by a combination of computer assisted methods such as unique user login with timeouts for inactivity. An instructor is responsible for monitoring student activity, responding to student questions and proactively engaging with students on an individual basis for every hour the student is receiving hours. By ensuring a combination of virtual and instructor driven interactions, the school can monitor and verify attendance for each individual student. Students are required to authenticate each time they log into the Milady MindTap “Learning Path” to access their program. All online course work that is graded or contributes to a student’s grade is submitted via a system that verifies a student’s identity through a unique and secure login. For education delivered through interactive video, the identity of the students is verified visually by the instructor. Arthur’s Beauty College does not charge additional fees for student identity verification.

NONREFUNDABLE / NONRETURNABLE POLICY

It is the policy of Arthur’s Beauty College that students who withdrawal or terminate prior to course completion are charged a nonrefundable termination fee of \$150. The cosmetology kit contains the equipment necessary for completion of the course. Students are expected to maintain the cosmetology kit, cosmetology book bundle and chromebook by replacing lost or broken articles. The school is not responsible for a student’s cosmetology kit, cosmetology book bundle or chromebook; either lost, or stolen. Once the student’s cosmetology kit, cosmetology book bundle or chromebook are issued and accepted by the student, the items are no longer returnable to the school. The student’s cosmetology kit, cosmetology book bundle or chromebook therefore, becomes the property and responsibility of the student. The cosmetology book bundle and chromebook contain interactive eBooks that are fully customizable and offer a personalized learning experience. Therefore, the cosmetology book bundle and chromebook cannot be returned and is nonrefundable as they may contain personally identifiable information. Once the cosmetology book bundle and chromebook have been opened, the school has no control of any virus that may infect the software or chromebook. The student will write their name or initials on their cosmetology kit contents. Due to personally identifiable information the student cosmetology kit cannot be returned. The cosmetology kit will be used to complete the student’s course of study. Student’s cosmetology kits contain many items that include clips, combs, shears, clippers, razors and hot tools (All items that must be sanitized.). The date of determination is defined as the date that the school determines when the student dropped.

In the event student misses 14 consecutive days of school, a refund calculation (R2T4) will be performed on the 14th day. The withdrawal date will be the students’ last day of physical attendance and the 14th day missed will be the date determined.

In the event a student does not return from a Leave of Absence on the scheduled date or if the student notifies the school that they will not be returning from Leave of Absence, a refund calculation (R2T4) will be performed on the earlier of the two dates. The withdrawal date will be the students’ last day of physical attendance and either the scheduled return date or the date the student notifies the school they will not be returning, whichever date is earlier, will be the date determined.

D. Official Withdrawal

When a student officially withdraws from their course of study, the date determined will be the date that the student notifies Arthur’s Beauty College. In the event we receive notification of termination via the U.S. Postal Service, the postmark date will serve as the date of determination.

E. Unofficial Withdrawal

If a student does not officially withdraw, Arthur’s Beauty College will determine a withdrawal date and determination date and proceed with the Return to Title IV (R2T4) calculations set forth by the Department of Education. All refunds due to the Dept. of Education will be returned within 45 days from the date of determination of withdrawal. Unofficial withdrawals are determined through monitoring attendance daily and students are dropped after 14 consecutive missed days.

F. Return of Unearned Title IV Funds

If a Title IV financial aid recipient withdraws from their course of study after beginning attendance but prior to course completion, a calculation for return of Title IV funds will be completed based on the guidelines set out by the Department of Education and any

applicable returns by the school shall be paid. Unearned funds must be returned to the Department of Education within 45 days from the date the institution determined that the student withdrew.

The order in which Title IV funds are returned are as follows:

- a. Federal Direct Loan Program Unsubsidized –(FDLPU)
- b. Federal Direct Loan Program Subsidized –(FDLPS)
- c. Federal Direct Loan Program PLUS–(PLUS)
- d. Federal Pell Grant
- e. Federal, State, private or institutional student financial aid programs
- f. Student

After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program. If the amount disbursed to the student is less than the amount the student earned and is eligible for, the student is eligible to receive a post-withdrawal disbursement of the earned aid that was not received. Any refunds due to the student will be made within 14 days.

G. Determination of Title IV Earned by the Student

Up through the 60% point in each payment period, a calculation is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds.

CHANGE IN ENROLLMENT AGREEMENT

Students making any changes to their enrollment agreements AFTER enrollment may be charged a nonrefundable \$100.00 fee payable upon change.

TERMINATION FEE

Students who terminate prior to program completion will be charged a nonrefundable \$150.00 termination fee.

ENROLLMENT AGREEMENT TIME AND SCHEDULES / MAXIMUM TIME FRAME

SCHOLARSHIP QUALIFICATIONS

1. Application for scholarship must be submitted no later than February 1st of the year the applicant is graduating.
2. Two letters of recommendation are required from school sources such as a high school counselor or high school teachers.
3. Must be a graduating senior.
4. Must have a minimum GPA of 2.5
5. Must submit a 250-word essay on “Why I Want to Study Cosmetology.”

The scholarship will pay \$1000 toward tuition. Scholarships are awarded in area high schools. The recipient will pay mandatory days and overtime charges if he/she does not complete the program by their contract graduation date.

REQUIREMENTS FOR THE SCHOLARSHIP RECIPIENT

1. The recipient must maintain satisfactory progress in attendance, academics and daily practical work.
2. The recipient is required to pay all Arkansas Dept. of Health, Cosmetology Section Fees.
3. The recipient will lose the scholarship if the student fails to meet the quantitative and qualitative measures (minimum of 67% average monthly attendance and minimum of 75% grade point average) as outlined in the SAP policy, which could result in losing any financial aid for which the student may qualify.
4. Upon completion of program, scholarship funds will be applied towards balance.

GROUNDS FOR TERMINATION

Student must comply with the rules and policies and understand that the school shall have the right to terminate their enrollment agreement at any time for violent or unnecessary misconduct that the school deems unfit or unprofessional; or for violation of the rules and policies as outlined in this catalog, the enrollment agreement or any addendum.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress (SAP) in attendance, academic and daily practical work is a requirement for all students enrolled. (NOTE: Students receiving funds under any Federal Title IV financial aid program must maintain satisfactory academic progress in order to continue eligibility for such funds.) The institution operates all programs according to a schedule of 900 hours per academic year of instruction.

Cosmetology-1500 Hour Program

Hours Per week	Course Hours	Max time frame in weeks	Max time frame allowed Hours	Hours provided for absence before overtime	Minimum Average Cumulative Attendance
30	1500	75	2250	60	67%
22.5	1500	100	2250	60	67%

Instructor- 600 Hour Program

Hours Per Week	Course Hours	Max time frame in weeks	Max time frame allowed Hours	Hours provided for absence before overtime	Minimum Average Cumulative Attendance
30	600	30	900	24	67%
22.5	600	40	900	24	67%

transfer students will be provided hours for absence based on contracted hours

All students must meet the *minimum average cumulative attendance* requirements in order to be considered making satisfactory academic progress; which is 67% of your scheduled hours. The enrollment agreement has hours provided for absences. Hours per enrollment agreement are noted in the weekly hour charts. Any student NOT completing the program on or before the enrollment agreement graduation date will be charged \$9.00 per hour student is scheduled per business day after the enrollment agreement graduation date until the program is completed. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student’s cumulative attendance percentage calculation.

Example for overtime charges:

$\$9 \times 6$ (over contract hourly rate x scheduled hours per day) $\times 32$ (number of scheduled days after enrollment agreement graduation date and program is complete) = **\$1728.00** (overtime charges).

A. Overtime Payment Advising

Any student projected to graduate over his/her contracted graduation date at any SAP evaluation period will receive an Overtime Payment Advising form to be placed in his/her file. This advisement will give the student the opportunity to pay as he/she goes. The payment amount will be based on how far over contract the student is projected to be, therefore the payment can change from one evaluation period to the next evaluation period depending on their attendance.

Overtime payment amounts do not include mandatory days.

B. Academic Progress

The following factors will be measured to determine academic progress:

1. Theory (tests, workbooks, etc.)
2. Practicals (services on mannequins/clients, state board drills, daily sanitation, etc.)
3. Demonstration (Instructor program only)

Grading Scale

The grading scale for theory and practical work is as follows:

90 – 100	A
80 – 89	B

75 – 79	C
60 – 74	D
0 - 59	F

Students must maintain at a minimum 75% in the theory and practical portion of their program of study. These scores are evaluated on a cumulative basis.

C. Determination of Progress

Each student will be evaluated during enrollment. Progress is determined from attendance, academic and daily practical work which includes sanitation. Cosmetology students will be evaluated at 450 actual hours, 900 actual hours, and 1200 actual hours. Student Instructors will be evaluated at 300 actual hours. Transfer hours are accepted and are counted as both attempted and completed hours for the purpose of determining that the allowable maximum time frame has been exhausted. "SAP" evaluation periods for transfer students are based on actual contracted hours at Arthur's Beauty College. Each "SAP" evaluation is reviewed by the student and placed in the student file.

Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance of the month will be added with the preceding months to determine whether the student will complete his/her program within the maximum time frame established in this policy.

Students meeting minimum progress requirements at evaluation will be considered making satisfactory academic progress until the next scheduled evaluation period and Title IV funds will be disbursed to eligible students. Students failing to meet minimum progress requirements will be placed on a Financial Aid Warning with the opportunity to meet requirements by the next evaluation period. The student will continue to receive Title IV funds for the evaluation period in which he/she received the Financial Aid Warning. Should a student not meet satisfactory academic progress by the next evaluation period, he/she will lose Title IV funding. They will be notified of the change in their eligibility for financial aid at this time. Student will be placed on monthly payments to include remaining tuition, any overtime charges, accrued mandatory days and any contracted fees; payments will be divided the number of months remaining until completion of hours. In order to regain eligibility for Title IV funding, a student must meet quantitative and qualitative requirements by the next evaluation period which are:

- 67% Average Cumulative Attendance/Pace of Completion
- 75% Grade Point Average

NOTE: 67% Average Cumulative Attendance is considered as meeting the minimum quantitative measure for Satisfactory Academic Progress (SAP). However, a student who only attends the minimum attendance of 67% will be over contract which will result in overtime charges. See pages 12 - 14, Satisfactory Academic Progress Policy.

D. Students Who Have Passed Maximum Time Frame

The maximum time frame for completing a program of study is 150% of the required length of the student's specific program. Any student who goes past the maximum time frame in his or her program will be dropped from the program.

E. Withdrawals/Program Incomplete

Any student who withdraws from his/her enrollment agreement program or fails to complete the program will have a notice placed in his/her file as to the progress at the point of withdrawal.

F. Repetition/Re-Entry

Any student who applies for re-enrollment will be considered making the same satisfactory academic progress he/she obtained at the point of last withdrawal.

NOTE: Non-credit remedial programs have no effect upon a student's satisfactory academic progress status.

NOTE: See Determination of Progress for more information.

MANDATORY DAYS

Friday is a mandatory day. Students not attending the full scheduled hours for a mandatory day will be charged \$25.00. Additional mandatory days are the day before a holiday and the day after a holiday. Example: *We are closed Thursday and Friday for Thanksgiving, you must attend the Wednesday before Thanksgiving and Monday after Thanksgiving. If you are absent on either day you will be charged \$25.00 for the day you missed.*

TRANSFER POLICY

All certified hours of cosmetology and instructor are transferable. Transfer hours from another institution are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. In

order to receive credit for test scores from your previous cosmetology school, we will require a transcript from the school which lists all tests that have been taken.

ABSENCE POLICY

Pursuant to federal policies, students who are absent for fourteen (14) consecutive calendar days are subject to being withdrawn. While in pre-clinic, you are allowed to miss no more than two (2) days, after which you may be dropped. Any additional absences of mitigating circumstances will be determined by the Systems Office on a case by case basis.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) must be requested in advance, be submitted in writing, signed and include the reason for the request unless it is not possible (unforeseen or extenuating circumstances). Students must follow this policy in requesting a LOA. Should a LOA be approved due to unforeseen circumstances we will document the reason for our decision and collect the request at a later date. The beginning date of an approved LOA will be the first date the student was unable to attend because of the unforeseen circumstances. A systems office staff member must approve ALL LOAs with the expectation that the student will return from the LOA. LOAs are limited to three per enrollment and/or 180 total days for 1500-hour students. A LOA will not be granted if the LOA, together with any additional LOA's previously granted exceeds a total of 180 days in any 12 month period for 1500-hour students. LOAs are limited to one per enrollment and/or 90 total days for 600-hour students. A LOA will extend your enrollment agreement graduation date and maximum time frame by the number of days in your LOA. An addendum to the enrollment agreement will be created to make the necessary contract period changes. This addendum must be signed by all parties. The student will not be assessed any additional institutional charges as a result of their LOA. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. If the student fails to return on the expected date the dropping procedure will begin and the expected date of return will be used as the date determined. If a student takes an unapproved LOA the dropping procedure will begin. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance. If your LOA is more than 30 days, you must vacate your locker. Personal items left may be removed and disposed of in any convenient way. Arthur's Beauty College assumes no responsibility for these items. Students returning from a LOA or other official interruption of training must return to school in the same satisfactory progress status they had prior to their departure. When situations of mitigating circumstances are in evidence, Arthur's Beauty College may provide an additional LOA, not to exceed 180 days. Sequential LOAs may be granted for jury duty, military reasons or circumstances covered under the Family and Medical Leave Act of 1993 ("FMLA"). Transfer students may be provided a LOA based on contracted hours.

VA PENDING PAYMENT COMPLIANCE POLICY

In accordance with Title 38 US Code 3679(c), this educational institution adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post-9 J 11 G.I. Bill® (Ch.33) or Vocational Rehabilitation & Employment (Ch.31) benefits, while payment to the institution is pending from VA. However, to qualify for this provision, such students may be required to: Produce the VA Certification of Eligibility (COE) by the first day of class; provide a written request to be certified; provide additional information needed to properly certify the enrollment as described in other institutional policies

ADVISING

Our staff does not include a licensed counselor. However, we do want our students to feel free to speak with the staff about any problems they may be experiencing. The advisory objectives of Arthur's Beauty College are focused on career development. A staff member will advise students on academic progress and related issues. As necessary, a staff Director may be consulted. The Operations Manager and/or Financial Aid Coordinator will advise students with financial needs. Personal problems affecting the progress of a student should be discussed with Supervisor, Operations Manager, or a staff Director who will meet with the student personally and refer them to an outside agency if necessary.

The student will review a Transcript on or about the 15th of each month for evaluation. If needed, a private advisory session will be arranged to discuss student's progress. Any information shared during an advisory session will remain confidential. We may *not* talk to anyone without the written permission from the student. This includes parents, grandparents, spouse, prospective employers, clients etc.

Treat others the way you would want to be treated and don't use social media to subject the employees, students or customers of Arthur's Beauty College to ridicule or intentional infliction of mental distress.
