

“The Hangout Spot,” a program of Marvelous Mind Academy, seeks to *rectify* all barriers to parents entering and staying in the workforce with an *innovative* childcare solution operable during B and C shifts.

In addition to a regular daytime preschool, The Hangout Spot will offer:

- **Bridge care** until 11pm for parents who work late shifts (B shift).
- **Overnight care** for parents who work overnight shifts (C shift).

\$50,000 will support The Hangout Spot as it:

- Remodels a space to serve as a permanent location.
- Purchases quality play materials.
- Purchases child-safe furniture.
- Hires high-quality staff.

In coordination with OWN Rochester, The Hangout Spot is being setup as a worker-owned coop – so it will enable both the families it serves and the people it employs to become more financially secure.
