

Precious VODKA

Strikes Gold in San Francisco

PRECIOUS VODKA is distilled six times and triple charcoal filtered to ensure and deliver only the finest quality spirit in its diamond shaped 750ML bottle.

Bottles include fully certifiable precious stones with the following selection:
Ruby, Emerald, Sapphire, Topaz or Peridot

Chateau Brands Exclusivity

PRECIOUS VODKA is made from natural spring water creating a tasting experience that evokes all your senses. It's smooth, effortless with pleasant aromas. A jewel to have and enjoy for any occasion

Precious Vodka needs to be enjoyed responsibly

Precious Vodka® is an award winning vodka produced from the top 10% distiller grown and harvested wheat that has been nourished with locally sourced natural Spring water. The high mineral content adds a naturally citric nose and flavor of distinction. The flavor, its taste and peppery finish make Precious Vodka hard to resist. It is the sexiest vodka available today!

Enjoy responsibly.

Precious Vodka

A Unique Proposition

Chateau Imports Ltd presents Precious Vodka® as one of the most luxurious brands in the world.

The taste and quality of the meticulously crafted product stands proudly in its bottle, a richness surrounded by diamonds, precious stones or simply above in shiny light. It keeps its diamond cold defiantly and waiting to be savored, proudly among others.

Enjoy responsibly.
