

Wild Bill has been with Linda Lee for twenty years, playing violin and also, joining Linda on her radio show as a co-host about 18 years ago. Wild Bill is a super talented violinist and has a great sense of humor. Formerly with the Midland Symphony Orchestra, Wild Bill played violin with them for 23 years. We are happy that Bill is part of the group as his talent is outstanding. Bill also is a professional radio announcer on WSGW Radio in Saginaw, MI on overnights, keeping us informed with the weather and breaking news.
