Decorating the Center's Tree

A special part of Christmas is the Tree. Once again we ask you to share a little of your family with ours by bringing in an ornament for the tree (please take this home with you on 12/28). We start decorating 11/29. It is always so much fun to watch the tree get decorated; especially when it is done with ornaments from our families.

Just a Reminder

Your survey responses regarding the holidays would be appreciated by December 5th. The link is

Thank you!

Year End Information

I want to remind everyone how important it is to ensure your bill is paid in full; especially at this time of year. You want to ensure you get every penny of tuition credit on your taxes and we want to be sure all year end obligations are met. As a reminder, if you have an outstanding bill on December 28th, your child **will not be able to attend** in the new year until this bill is paid. I am letting you know this now so that you have time to plan.

Santa Claus is Coming to Town!

December 15th Santa will be at the church's pancake breakfast! This is always such a special time when your child gets the chance to talk with Santa, receives a little gift and where you can take as many pictures as you would like. Mrs. Claus will be there too helping Santa however she can.

All of this is free (including the children's breakfast) and a lot of fun. Join us!
Santa will be available from 9:00 - 10:30.

As I write this month's newsletter, it is only 64 degrees out. That is cold for 1:00 in the afternoon in southwest Florida! There will be cold days in December and January. Please be sure you have a sweatshirt/jacket/sweater here for your child and jeans or sweatpants would be helpful too. We certainly don't want the kids to get sick.
