CUMULATIVE DOCENT REPORT
 2014-2017

The first year that we opened the house to for casual summer visitors was 2014, at which time Spurgeon and Deb Wiggins waited in the wings from 12:00-4:00 on Tuesdays. In July of 2015, more docents and days were added and the hours changed from 1:00 to 4:00. The diligent Pat Dryer and the ubiquitous Cindy Yawkey teamed in, as well as Lin Pollard and Nancy Neff with Cathy LaPointe putting on yet another hat for the Bonine house.

2014 Docent monthly summaries did not yet exist. As changes were made in 2015 (starting in July), the monthly summaries also came into play.

People respect progress and hard work. The giving throughout the years shows that.

<u>Year</u>	<u>People</u>	<u>Donations</u>
2015	198	\$488.19
2016	431	\$1,684.00
2017	462	\$3,157.90

Your eyes are not deceiving themselves. The per capita giving nearly doubled between 2016 and 2017.

It is our sincere hopes that this excellent docent team will continue their dedication and enthusiasm for as long as it takes.

Thank you all.

Sincerely, Deb Wiggins
