Polaris of the Black Hills has completed the parking lot paving and most of the exterior. Framing is complete and interior finishing has begun. Polaris has projected a mid to late December grand opening. Keep your eye out for announcements.

O'Reilly Auto Parts has opened the doors on the latest business to open in Summerset. Stop in and check out the new store and meet the employees.

COMING SOON there has been a couple of new businesses that are working on plans to build and move into Summerset. Stayed tuned as these plans get closer to being finished.

Publics Works:

Recently Summerset's Public Works Department has been working on numbering all of the City light poles with numerical stickers. This will help us all more easily identify which street light needs replaced. Below are just a couple examples of some number light poles.

Public Works

As we move closer and closer to the winter months we also get closer and closer to snowy cold days. We would like to remind residents about our snow removal ordinance.

18.01.02 SNOW REMOVAL DECLARATION.

Such time the Director of Public Works or his or her designee determines that snow removal from the public streets will commence and declares a Snow Removal Alert.

18.01.03 SNOW ROUTE RESTRICTIONS-DESIGNATED.

By resolution of the City Commission, the City may designate certain City streets as Emergency and Secondary Snow Routes to ensure said streets can be cleared of snow for the safe and orderly flow of traffic and for the health, safety and welfare of the general public.

18.01.04 NO PARKING ON SNOW ROUTES.

No person may park or allow to remain parked any vehicle or trailer on any street designated as Emergency Snow Route or Secondary Snow Route during snowfall or prior to the time said street is cleared of snow by the City.

Vehicles or trailers parked on snow routes in violation of this section may be ticketed and/or towed at the owner's expense. Violations of this chapter shall be subject to the fine established by City Resolution.

Woodworks

*"If you can dream it, we can
build it."*

"The name Renatus means "re-born" in Latin. This is both our name and mission as we give old wood a new lease on life, and also as we look to bigger things. Our goal as a business is to give half of our profit to organizations that are dedicated to saving lives. We would love the opportunity to get to know you and to build you just the piece the you've been dreaming of, and in so doing, to give someone else the chance to dream again."

Winter Garden
By Kirstin Hannah

1941. Leningrad, a once magical city besieged by war, cut off from aid, buried in snow. A city full of women desperate to save their children and themselves...
2000. Loss and old age have taken a terrible toll on Anya Whitson. At last, she will reach out to her estranged daughters. In a halting, uncertain voice, she begins to weave a fable about a beautiful Russian girl who lived in Leningrad a lifetime ago...
Nina and Meredith sit spellbound at their mother's bedside, listening to a story that spans more than sixty years and moves from the terrors of war-torn Leningrad under siege to modern-day Alaska.
