How did you learn about us? _____

- I understand my name and those in my household will be checked against local law enforcement agencies for cases involving abuse and neglect of animals.
- I understand this is an application to adopt an animal from the Animal Welfare Society of Howard County and completion of the application is in no way a commitment by AWS to adopt me the animal.
- I certify that the above information is true and correct; any false information will result in the nullification of this adoption application.
- AWS will complete a home visit prior to the finalizing of any adoption and may complete a follow up visit up to one year after adoption.
