**About PESC Annual Distinguished Service Awards**
Many volunteers from the PESC Membership and education community have helped shape PESC into the organization it is today. Based in openness and transparency, together we support a neutral and welcoming environment with a seat at the table for everyone. Certain individuals, who exemplify these values, have gone above and beyond the call of duty and PESC takes the opportunity each year to recognize them with Distinguished Service Awards. PESC Distinguished Service Awards serve as our opportunity to say thank you for being a leader and for making a positive impact on education.
