

Hello region15,

This is going to be short and sassy report for this month. First, the all-region softball game was a success. Region "13 "14 "15 "18 were all in. Region "13 and "14 won 11 to 10 on my error at the bottom of 7th at 3rd base. I suck.

Second thing please come and vote for region officers on November 18th, still no one wants my job. Jerry Spoomer, my boss and operations officer, said that if no one runs, we would have to disband the region. Once again, I will not run for this position. So, it is what it is.

Third thing is Gutsy's Blue Balls run December 1st. Info is in this rider on the flyer. Wild rose is running this show - Support our needy.

That's it - Peace-love -out!!
