

## The Birthing of the 7EE ~ Keys of Self-Mastery

In December 2014, Mary took another one of her many sabbaticals, to Meet with the Masters of Light Energetically and Ethereally. During this 7-Day get-away in solitude, she went through a **Memory-Metamorphosis**, while being Light-Activated by the Ascended Masters.

As a Light-Code-Carrier, she also Received Light-Energetics within her Embodiment's System, to be Uploaded the Memory of **Sacred Light Stories** that would begin to Streamline through her being, bringing forth these **Transmissional-Teachings**.

In **Divine Directedness**, Mary was asked to provide these **Transmissional-Teachings** to those who heard the call to **Attend** and **Receive**.

For the past 2 years, over 100 students have stepped forward as they have heard the Call, and those Summoned by Self and Source, entered into a **Newest Threshold** into this **Energy Experience**. They have Received these **Transmissional-Teachings** from their own **Light-Tablets-of-True-Self**. These Sacred-Stories are referenced as *Illuminations* drawn from the Light of Love.

Mary is a Librarian of Light, and one of *many* who Serve in the **Halls of the Akashics**, and has been asked by Source to **Write** Sacred Stories of **Light** from the Library, as Truths are Revealed. She has been Aligned to Assist and Guide others through the Halls of these Records, to obtain their **Personal Records** for **Remembrance, Regeneration, Repair** and to **Receive** these **Keys of Self-Mastery**.

*As a Mystical Angelic-Emissary for the Divine Mother Mary*, she has also been given the Knowledge from the **Codes-behind-the-Codes** through Discernment as **Transmissions** are Produced. She is also a Code-Carrier of **Newest Light-Seeds**.

*As a Conscious, Clear-Conduit* streamlining the Mother's Love, Mary will Serve as the "*Electrical-Transformer*" per se, in the '**exchange of currency**' being created.

*As a Receiver and a Transmitter*, she Intones this Language as a **Sacred-Expression**, streamlining a Co-Connection to the Higher Planes, as we are Revealed the Truths

of the Original Word. The **Harmonic-Intonement Carries-Codes of Energetic-Science Infused with the Spirit of Energy.**

Mary Receives this information via **Light Language**, (*also known as Language of the Birds, Tongues of the Angels, Language of the Soul, One in Spirit, and Heart Language*).

She then brings forth **Stories of Light**, as **Written-Representation** throughout these **Transmissional-Teachings**; also, known as . . .

**Illuminations ~ Sacred Stories from the Library of Living Light.**

Divine Blessings to Thee
