Operation North State: Fulfilling A Recreational Request from North Carolina's wounded warriors / DVets to Take Us Fishing at the Beach.

WINSTON-SALEM, N.C. (August 28, 2017) - Operation North State (ONS), its supporters and volunteers are calling on all North Carolinian's (especially in the Oak Island/Southport Community) to help support the 4th Annual Peer Fishin' Festival to be held Friday, October 6th (rain or shine) on Ocean Crest Pier at Oak Island.

ONS and the Oak Island/Southport Community will host 400 wounded warriors, DVets, and their guests to a great day of fishing and fellowship.

According to Operation North State's Founder/Volunteer, Terry Snyder: "The event is being held at the request of the wounded warriors / DVets that have fished in one or more of ONS's 8 Top Shelf Annual Fishin' Festivals throughout the state. There is nothing else like our 'Festivals' Schedule in the entire country.

According to Snyder: "The wounded warriors / DVets are excited to return to Ocean Crest Pier this year and include their families and friends. Likewise, our sponsors and volunteers are honored to be part of the Festival. ONS is grateful to the pier mates for providing their time, expertise and equipment".

The 4th Annual Peer Fishin' Festival is FREE to wounded warriors / DVets and their respective guests. To participate, send an email to mailbox@operationnorthstate.com or call 336.764.5967. Provide your name, email address, telephone number and what North Carolina town you call home.

ONS is requesting assistance and participation in the Festival as follows:

- Register a wounded warrior / DVet.**
- Volunteer**
- Donate product, services, or cash for dinner, snacks, beverages, prizes.**
- Provide a covered dish for breakfast or lunch.**
- Come spend some time on the pier Friday, October 6th and cheer on these Special Americans.**

For additional information and/or to show your support, contact ONS Founder/Volunteer Terry Snyder, at mailbox@operationnorthstate.com or call 336.764.5967.
