Report of Committees:

Pistol/Rifle Range: Jim Peet reported that the work on the lower range was expected to be done in two days but was completed in 1.5 days (also under budget, too). Thank you to the following extraordinary volunteers and contractor that fixed the drain on the wedge, rebuilt the backstop for the rifle range, resurfaced the pistol range and wedge, extended size of top parking lot and filled potholes at the trap range:

Dave Longcor – tractor
Chuck Stevens – tractor
Charlie Freeland – contractor trailer, tools and equipment
Bob St.Amour
Tony Garcia
Manuel Cornejo
Mike Moreno
Don Sandaretto
Fred Limbach
Keith Hunwick
Steve Endean, paid contractor with Bobcat

Please forgive us if we missed you on the list. We still appreciate all of the help that was given.

Trap Range: Mickey reported that the summer hours of 9A to Noon will be starting on Wednesday, June 12, 2019. A big THANK YOU to Dave Longcor for the carport cover that is now at the trap range.

RSO Committee: There will be an RSO meeting sometime in September. Pam reported that John Spencer's wife has a lot of ammo to sell and will provide a list.

Thanks to all attendees for coming to the meeting.

Next General Membership meeting: July 8, 2019 at 5:00 P.M.
