JUNE: [You've Been] FRAMED! & BLOCKED

Where do I even start ... there is no way to summarize this camp of cool projects! Everything is "framed up"; that's about the only commonality. Projects are going to include glass pieces, embroidery floss, printed papers, wood pieces and trinkets. Lots of building, layering & gluing!
Fragment Glass Mosaics. Mixed Media Abstract. String Art. Paper Layers. Wood Block Weaving.

☐ June 15 - 18 OR ☐ June 22 - 25

JULY: The GREAT OUTDOORS

All the mediums are going to be used this month! Lots of painting; acrylic, watercolor, printing and texturized. Along with modpodge, wax pastels and a lot of glued layering of pieces & parts. We are going to lean in to all that nature has to offer to inspire our creations.

Layered Leaf Printing. Puzzled Trees. String Pull Canvas. Watercolor Book Page. Wild Animals.

☐ July 13 - 16 OR ☐ July 20 - 23

AUGUST: VESSEL Extravaganza

"Vessel"?! What?! ... empty containers that can carry things! Everything we create this month will start with an empty "vessel" as our base. These are projects that will be completely new and different adventure.

Bleach Painted Tote. Caged Fish Model. Platter Play. FrameWorks. Wood Houses.

☐ August 3 - 6 OR ☐ August 10 - 13
