Join Us November 11 – 12, 2016 A Two-Day Celebration!

Dear Exhibitor,

On behalf of the Richland Main Street Board of Directors, I would like to invite you to the 19th Annual Pig Fest on historic Broad Street.

Richland Pig Fest has come to be known as “the best little cook off in Georgia,” and for good reason. Barbecue teams will compete for trophies and money in three categories on Saturday.

Street dance draw big crowds both nights, carnival rides bring families downtown all weekend for Pig Fest and a professional fireworks display lights up the sky on Saturday night during the band’s intermission.

There is something for everyone at Pig Fest XIX! There are plenty of people to please, too. Between 4,000 - 6,000 show up each year to eat BBQ, dance and find Christmas gifts without going to the mall.

Richland Main Street is a 501(c)(3) which functions under the auspices of the Georgia Department of Community Affairs Main Street Program and the City of Richland, Ga.

We want you to know that we strive for an excellent track record with our vendors, our sponsors and our community. For the past 18 years our intensive experience staging community events is well known in the area. Pig Fest is well attended by area residents from more than five counties, including Ft. Benning, Columbus and Albany.

Our events are well publicized in area newspapers and magazines, and on radio and TV in Americus, Columbus and Albany. You can also find us on the web at www.richlandmainstreet.org and at festivalnet.com.

Our board’s goal is to raise awareness of our historical architectural legacy by continuing the preservation that has started in Richland. We provide financial and knowledge support for the preservation of these structures, streetscape enhancement and matching grants to downtown merchants in the historical district for storefront improvements. All proceeds from this festival will contribute to those endeavors.

Be sure and make it a point to come see the pocket park next to the hotel. We cordially invite you to come and celebrate our small town lifestyle and support a worthy cause.

We hope you’ll return for this great event!

Our **absolute deadline** for applications will be Oct. 15 and we fill up fast. Applications received **before Oct. 15** will be placed closest to the stage and food area on a first-received basis.

Sincerely,
Chris Scribner, Main Street Chairman
