

HEALTH & SAFETY POLICIES

Updated October 8th, 2021

Thank you for choosing **Diamond Gymnastics Academy!** Safety for our community is our top priority, so please review and follow our health and safety policies.

COVID-19 POLICIES

- **Everyone (including staff) entering our facility must...**
 - Wear a mask (ages 2 and up)
 - Undergo a Temperature Check with the use of a non-contact thermometer
 - Any person with a temperature of 100.4 or higher will not be permitted into the facility and must be released to their parent/guardian.
 - Bring their own water bottle as our fountains are only used for refilling
- **Only students are allowed in the facility***
 - **Exceptions include "Parent & Me" & "Tiny Tumbler" Classes (1 adult per child), and Birthday Parties (2 adults max)*
 - Guardians must drop-off and pick-up from the designated locations:
 - **Drop-Off** is at the first red door in our parking lot, under the "CHEER TUMBLE" awning. Students are allowed in no more than 5 minutes before their program begins.
 - **Pick-Up** is at the second red door, under the "GYMNASTICS" awning.
 - **Children will not be dismissed unless the guardian is present**
 - Guardians may view their student's classes through new **SpotTV Program**
 - Download the SpotTV app or register through your **Jackrabbit Parent Portal**
- **All Staff Members are required to be vaccinated or undergo weekly testing**
 - Staff shall be assigned to one group, with a maximum student-to-coach ratio of 9-to-1

ENHANCED CLEANING AND SANITATION PROCEDURES

- Our staff is required to clean all appropriate gymnastics equipment (with EPA approved disinfectant) after use
- Hand sanitizer stations are available and encouraged for our students and staff
- No "outside shoes" will be allowed on any gymnastics equipment
- Bathrooms are cleaned and disinfected under CDC and DOH guidelines
- Our facility is equipped with 4 rooftop HVAC units that circulate fresh air into the facility. These units are on a regular preventative maintenance plan serviced by Edison Heating & Cooling.

We appreciate everyone's cooperation to keep our community healthy and safe!
