

CLARO'S CATERING MENU

Let us take the work out of having a Party!

We offer many ways for you to entertain with little or no trouble. Our meals are complete, aside from beverages and paper goods. Our catering isn't fancy, but you will get a generous quantity of delicious food at the very best price!

OUR PLEDGE TO YOU:

We want you to have a successful party so please allow us to recommend what you will need. We want you back as a happy customer and will do our very best!

HOT, HOT, HOT.... All of the dishes that are to be served hot will require that you heat them in your own ovens. We're sorry, but we do not have ovens available to heat them for you. (If you are ordering food for a party in a hall or home, please check their ovens.)

We would appreciate a week's notice on parties and one day's notice for antipasto trays and relish trays. We must know a day ahead on long sandwiches so we can order the bread. We cannot make changes on parties after two days before the date.

The price per person is our recommended price. We believe that you will have enough food if you spend this much per person. Our amounts are generous, but you know your guests better than we do. You are charged for your food by the pound, at regular retail prices and we lay it out on disposable trays for no additional charge. If you would like to spend more or less, it is entirely up to you. We cannot guarantee that you will have enough food, but we have very few problems with people saying that they did not have enough. Please limit your selections based on the number of people you have coming and please let us advise you. We want your party to be a success. We want happy, satisfied and returning customers, so we try our best! Pricing and availability subject to change.
