

From the President's Desk

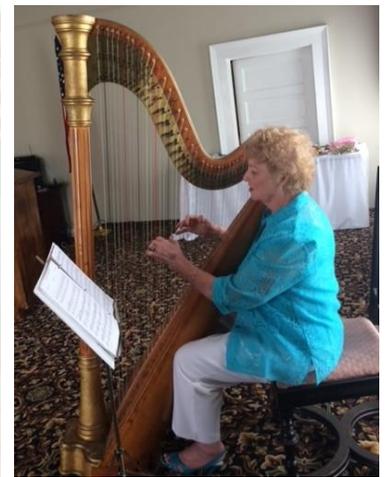

In the month of May our Mansion has been filled with color and happiness.

At the Queen's Reception, the ballroom, dining rooms, and entry were decorated with colorful Fiesta decorations from ceiling to floor. A delicious fajita meal was prepared by Angela Pfeiffer and her team. Guests included Fiesta royalty, Rey Feo Thomas Aguillon, and, of course, our Fiesta Teen Queen Sophia Christiansen and our Fiesta Teen Princess Isabella Niño. (See page 5 of this newsletter for more pictures of this traditional event.)

Within a week, our ballroom was transformed from Fiesta décor to gold décor with white roses for our Golden Girls' Luncheon. Noontide Round Table hosted this glittering affair. Janice McGraw prepared an amazing lunch for our Golden Girls and their guests. We love our Golden Girls! (Golden Girl Luncheon photos below and on pages 12 and 13 of this newsletter.)

With the wonders of the vaccines, we are coming back with so many entertaining events. Please mark your calendars with the June meeting and Summer Luncheon dates as highlighted on pages 2 and 3 of this newsletter. We look forward to seeing all of you!

Ladies, our annual membership fee of \$150 is due on July 1, 2021. Please see details on page 15 of this newsletter.

General Meeting June 2, 2021 - Social time opens at 10:30 and the meeting begins at 11:00

In June we announce our 2021 scholarship recipients and we remember those we have lost this past year with a memorial ceremony.

We will also be highlighting THE WOMAN'S CLUB OF SAN ANTONIO RECIPE BOOK which was published under the administration of Barbara June (B.J.) Duncan 2016-2018. This wonderful project was started by Barbara Vander and her committee. The project was continued by Sandra Ojeda Medina when she became the Ways and Means Committee Chairman. Recipes had already been collected from our members, families and friends. Sandra continued collecting and put the recipes in their respective categories. The Recipe Book was a big project, but so worth the times with so many memories for so many members.

Tina Zimmerman and your program chairman selected recipes from our Recipe Book for our June luncheon. ENJOY!!

Bill is retired and now lives in Kerrville with his wife and has authored several books, including "September 11: A Memoir." He returned to New York City for the second, fifth, 10th, and 15th anniversaries of the disaster. He said the 20th may be his last time.

Annual Fall Luncheon ~ "Sweet Dreams of Patsy"

September 15, 2021, at 11:00 a.m.
San Antonio Country Club

International recording star and entertainer Patsy Torres will perform a musical program which will highlight the life and music of the legendary Country superstar Patsy Cline. Patsy Torres embodies the voice, appearance and characteristics of her childhood idol.

We had fun at the "Fiestavely" decorated Woodward Mansion for the May luncheon.

Guest speaker, Richard Ojeda, invited his mariachis to sing three beautiful songs before his program. He shared stories of Fiesta, family, and fortitude. Richard has been hooked on Fiesta since Fiesta Royalty came to Graebner Elementary when he was a kid. Family stories high-lighted his mother's love and influence. His commitment to community shows fortitude serving the daily meals for the children at the Freeman Coliseum with his partner RK & Black Tie team.

Thanks to members Kim Keller & Janice McGraw
for the Fiesta decorations!

of you.

From the Queen's Reception Co-Chairman Johanna Christiansen:

The Queen's Reception was held on Sunday, May 2nd, at The Woman's Club and was a spectacular event honoring Fiesta Teen Queen Sophia Christiansen and Teen Princess Isabella Niño! The House Report

By Susan Gargotta

I felt it was important to report the measures the Woman's Club is taking to secure our beautiful house. There has been vandalism to the house and around the grounds during the COVID pandemic.

Recently the basement window was kicked in. The individual(s) who did the damage had to climb over a locked chain link fence to get to the windows. The bars on the inside prevented the entry into the house. The window needed to be boarded up as soon as possible. Bexar C&R Construction was able to provide a same-day response for the repair.

Homeless persons have lit fires on the back staircase and accessed the front balcony from the fire escape. I contacted

SAFD. Captain Teague met me at the house to review options for securing the house and still be compliant with safety standards for activities in the house. The suggestion was to enclose the back stairs with an emergency push gate and make this exit our fire escape. The back stairs are wider than the metal fire escape on the front of the house. With this revision, the metal fire escape on the front of the house will be removed and the railing filled in to close access and prevent any trespasser(s) from camping out on the second story balcony. I will keep you informed on work at the Woodward House.
