

APPLICATION FORM:

***PLEASE** be sure to return this form to Jordana@wildtraxexplorations.com together with a copy of your passport, curriculum vitae and copy of your medical insurance card or paperwork. If you are no longer a registered student but have been in the last 18 months please send a proof of registration from the tertiary institution you attended.

Personal Details

1. Full Name:
2. Email:
3. Mobile Number:
4. Gender:
5. Date of Birth:
6. Nationality:
7. Passport Number:
8. Address:

9. Do you have any medical conditions?

10. Do you have any allergies?

Please Note: The more information you supply, the better equipped we will be to co-ordinate placements and participants. Please bear in mind that living and working closely as a team may also be mentally/emotionally demanding. You know yourself and any limitations you may have, best. Your honesty in response to this question affects your safety (and the safety of your fellow participants) while participating in the monitoring work. Failure to disclose any potentially important information could result in hazardous situations in this wild and unpredictable environment in which we work. Extreme cases, in which the program is compromised through failure to divulge this information, could result in participants being asked to leave without a refund.

Additional Note: If you have severe allergies that require an epi-pen please note that you will be required to bring one with you when traveling to any of our projects.

11. Dietary Requirements?

Please Note: We do cater for vegetarians however; we are NOT able to cater for vegans or gluten free or specialist diets. Please state your dietary requirements so that we are able to discuss this with you before your arrival. Please be prepared to bring additional food items with you to supplement your diet.

Education Details

12. Are you a student?

13. Are you currently registered?

Please note – that if you are not currently registered to a tertiary or educational entity you will need to participate and enroll for our online Wildlife Courses. There are a number of pre-requisite courses and then one or two courses to complete while you are with us in the field.

14. If yes, what University?

15. Currently, what course/faculty are you registered with?

16. What is your education background?

17. What are you hoping to achieve through your time with us?

18. Would you like to participate in our online Wildlife Courses while with us in the field?

Additional Experience

19. Is there any other skill or training that you feel is applicable to your time with us?
