Canadian Sheep Breeders' Association  
La Société Canadienne des Éleveurs de Moutons

The Canadian Sheep Breeders' Association is an organization of over 900 breeders of purebred sheep across Canada, representing over 40 breeds of sheep. The members of the Board of Directors of the Canadian Sheep Breeders' Association are elected by and represent purebred sheep organizations in each province. The CSBA is dedicated to working for the interests of sheep breeders across the country, whatever breed they may represent.

Proud to be a Canadian Family Owned and Operated Business

Breaking New Ground Since The 1960's

For over 40 years we have been providing customers of all sizes with Quality Products, Quality Service and Reliability. We are here to help you build your future in the livestock industry and supply all of your needs.

We are focused on new researched livestock feed technologies to ensure that your farm will be operating to high-quality standards while remaining cost-effective in today's market place.

East-Man Feeds provides comprehensive services, including on-farm consulting, animal nutritional information, genetics and breeding advice, and feed equipment calibration.

# Zubot

## Welding & Manufacturing

Zubot Welding and Manufacturing is a family run business that started out of a need for equipment for our own flock of 300 ewes.

The equipment we build is used on our own farm so we know it works. We take pride in providing our customers with well built equipment that will last for years. We are planning to attend the show and sale at Rivers, MB in August. If anyone would like to order equipment prior to the show, you may order it ahead of time and we could bring it along for you.

You can check out our website at [www.zubotweldingandmanufacturing.ca](http://www.zubotweldingandmanufacturing.ca) or phone Richard at [1-306-682-3252](tel:1-306-682-3252)
