## WE KNOW WHAT IT TAKES

Whether you are an enthusiast of ATV's, motorcycles, hot rods, show cars or anything in between, Vintage has a trailer that is right for you. Vintage Trailers has been providing **high-quality affordable custom trailers** with and without living quarters for years. We are a company whose quality comes from attention to detail. We build our trailers and do our own conversions in house.

If you are looking for a race car trailer, you can be confident in a Vintage Trailer. Whether you are a serious racer, or if you're new to the racing world, Vintage has a **trailer to fit your needs**. We even built the custom trailer that our own race team uses at the track. You no longer have to be one of the "big boys" to enjoy a comfortable and functional home away from home at the track.

Our models include the Bandit, the Outlaw, the Aero, the Intimidator, and our newest anniversary model the Crystal SS. Our slide-out room introduced in 2007 has been a huge success. It's been a great addition to our many other popular floor plans. At Vintage Trailers we pride ourselves in being able to accommodate customers who have special needs and desires for their trailer. We truly are a **custom trailer builder**.

It is our **passion** at Vintage Trailers to provide the best experience for your trailer-hauling adventure. We would love for you to be among our many satisfied customers of our car haulers, toy haulers, race trailers, custom trailers, living quarters, and conversions. Whether you are a weekend-warrior or a full-timer, Vintage has the **perfect fit** in a trailer for you.

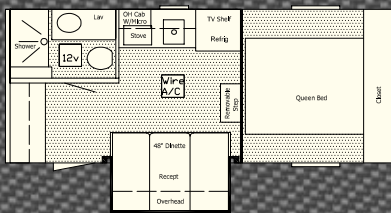

Innovation.  
Creation.
