

# 7 RAPTURES OF REVELATION

This illustration will attempt to show that there are numerous other 'Raptures' occurring during the Tribulation Period. There is a Rapture or Translation in almost every segment of the unit values of events which are 7 in total spanning the sections that constitute the Book of Revelation. In each Segment, there a Rapture Event or a Translation of Peoples as suggested by the Narrative. The word translation is referred to as having a person or Peoples changed from the Moral State to the Immortal State. The Rapture of the Bride commences this Count. This is the preeminent Rapture that correlates to the Church of Philadelphia that was provided with an 'Open Door' of escape from the Hour of Trial to come. Thus there is the Rapture, the Blessed Hope that is at the beginning before the Seal Judgments start the Countdown to Armageddon. Out of all these, the Sickie Rapture might possible then be correlated to the Matthew 24:20 Depiction of those who are Left Behind and those who are Taken. The following list is of those Raptures or Translations in question. The Revelation 12 'Rapture' corresponds to the middle or 4th one in the Sequence though retroactively occurred Astronomically in 2107.

This study submits the Notion of the Rapture of the Bride of Christ as typified by John the Revelator is the Translation of the Bride because the 'Revelation' of Jesus is given to the Church of what is to come, not to the Sons of Jacob. It is the Bride that Jesus chose to be the 'Witness' to Testify of what Trouble is to come due to the Rejection of the 'Greater Joseph' that was sold for Silver by his Brethren.

The Book of Revelation Blueprint in the Olivet Discourse Luke 13 and Matthew 24 foreshadows the Layout of the End of Biblical Prophecy as disclosed by Jesus.

## OLIVET DISCOURSE BLUEPRINT

This Argument of the presented and suggested 7 Fold Raptures is the Reason why there is such Confusion which one is designated for the Bride of Christ. The Translation or Escape of the 'Philadelphian Church' Typology of the Bride of Christ is the singular Rapture Event unlike the rest to follow during the Time of Jacob's Trouble or the Tribulation Period. There is a Translation at the Beginning, at the Middle and at the End in the Book of Revelation. Is it any wonder why there is such a Confusion if the Rapture of the Bride of Christ is to occur either pre-Trib, pre-Wrath or post-Tribulation within the Chronology of the Apocalypse Interpretations?
