President's Perspective

Good Day Everyone!

Hope everyone is safe, healthy and doing well.

The year is nearly half over as I am writing this Perspective. We had a great Spring Luncheon at Ivar's Salmon House on Lake Union in May. The food, the view, and the ability to interact with former coworkers was awesome. I can still say I have never had a bad meal at any Ivar's, an iconic Seattle Institution.

We have more exciting events coming this summer. The picnic is on August 17th at Lincoln Park in

West Seattle.

And Steve Hagen has organized a tour of the [Seattle Hydroplane and Race Museum in Kent](#) along with a BBQ lunch on September 7th (See blurb below). Also, we've reserved Ivar's Salmon House for the Holiday luncheon on December 7th.

The RCLEA is getting back to a semblance of normalcy. We are excited to welcome Mary Pat DiLeva as our newest board member. We still have a few vacancies if you like to be part of our board. We welcome your suggestions for activities the members may enjoy. Talk to me or a fellow board about this opportunity.

Thank you for your support. Stay safe and enjoy the summer, which we seem to get one or two days at a time. However, July and August are coming, historically our best summer months.

Tony Raimondi, RCLEA President
