

## IF YOU DIED TODAY ARE YOU 100% SURE OF HEAVEN?

Many people discredit the King James Version Bible, the Word of God, for an array of reasons. "It was written by man therefore it is erroneous." "It has been rewritten and translated so many times there are no longer any original scripts." "It causes war and strife." But God said *For ever, O Lord, thy word is settled in heaven* (Psalm 119:89). God's word can not be destroyed, and it must exist somewhere.

All of the prophecies in the KJV have come to pass and we are

living in the final prophecy of Revelation. The Bible can be used for history, science, civilized law, relationships, and moreover it is God's love letter to us. Jesus *is* the Word of God (John 1:1). The problem people have with the Bible is that it is a spiritual book and we try to read it with a carnal mind. The *Holy Spirit*, given to us when we get saved, miraculously helps us to understand the scripture. In addition, over 50,000,000 Christians in the Dark Ages gave their lives so we could read the KJV today without fear of persecution.

The most important message in the Bible is the *gospel*, the death, burial and resurrection of Jesus Christ (1 Corinthians 15:1-4). Not everyone can understand the Bible in whole but anyone, even a child, can understand the gospel. Jesus had to die and rise again in order for our sins to be forgiven so that we may be perfect before God on judgment day: *For all have sinned and come short of the glory of God* (Romans 3:23). The first punishment for sin is that we die (Roman 6:23a) and the second punishment is a *second death* in that the soul goes to a Lake of Fire (hell) to burn forever (Revelation 20:15). Jesus has the power to save us from hell because of the work he did on the cross; all we have to do is ask him: *For whosoever shall call upon the name of the Lord shall be saved* (Romans 10:13). That is 100% assurance of heaven after you die. You can ask him by using the prayer on the reverse, the conclusion of the gospel of Jesus Christ in the Word of God.
