A MESSAGE FROM WALK #165 LAY DIRECTOR

Dear Emmaus Family,

As I look back through the years to that August day that began my original Walk to Emmaus, I am amazed at the changes God has brought to my life and the tremendous blessings He has bestowed upon me.

Walk 92 began with me wondering what in the world I had gotten myself into. I was shy and self - conscious - scared to say very much around strangers and here I was being left at a camp out in the middle of nowhere, with no car, no money, no phone and no way to get home! If I had had a way to run away, I certainly would have.

How little did I know what God had in store for me! That weekend was only the beginning of a closer walk with Jesus and an awareness of what it means to be part of something much larger than myself. I am so thankful to God for bringing me to Emmaus and introducing me to my Emmaus family. I have been blessed in so many ways.

I am humbled and honored to be preparing for Walk 165. It is such a blessing to be part of the team of faithful servants that God has put together. I ask that you join me in prayer for this team and the ladies of Walk 165.

May God be glorified by all that is said and done this weekend, and may the Pilgrims of Walk 165 be as blessed as I have been to be a part of this journey we call the Walk to Emmaus.

DeColores!

## A MESSAGE FROM WALK #165 SPIRITUAL DIRECTOR

What an amazing God we serve! I am so humbled and honored to be a part of this team as the Spiritual Director on walk 165. As many of you already know, I'm a transplant in this beautiful community. My original walk took place at New Windsor, Maryland through the National Capital Area Walk to Emmaus community and yes, my table name sounds a little unusual – Table of Angels of Praise. But here's the "God thing." When I talk about what I experienced on my weekend way up north, the fifteen talks by laity and clergy that spoke right to my heart, the deep and personal table discussions, the crazy posters and skits, the love displayed and shared at my table, the life-changing power of Dying Moments, it's the very same experience that you had on your walk. It's the same thing that our pilgrims on walk 165 will experience. I don't know about you but that just blows me away. It's something in this broken, misguided world that we can really celebrate because God is alive and well and still doing new and wonderful things in the lives and hearts of people. What a privilege it is to be but a very small part of this thing called the Walk to Emmaus.

With each weekend I experience, my awe and appreciation for the servants on the background team grows deeper and deeper. Thank you community for all that you do to make these weekends what they are and your willingness to be employed as the hands and feet of Jesus.

As the weekend draws closer and the excitement of what God is going to do builds, know that the team and pilgrims will have the full support and focus of an amazing team of Assistant Spiritual Directors called to serve on this weekend. I can also tell you that I have been so blessed by our Lay Director, Cindy Clem. She is a true woman of God and I have seen the face of Jesus in her face. The ALD's have been such a blessing and I know they will keep us straight and on time. Working with them has been pure joy and their heart's desire is to be an instrument in God's hands. I have felt the power of the Holy Spirit in each and every talk as they have been previewed and I have personally experienced God's love through the hearts, hands and feet of the entire conference room team. Without a doubt, God is going to show up and show out on this weekend and it will go down in history as "the best weekend yet!" Thank you for covering us in your constant prayers.

Blessings,

Suzie Beeson

## From the Community Lay Director

As my year as Community Lay Director is coming to an end, I just want to express my thanks to the Community for their prayers and continuing support throughout the year. I could not have done anything without you as dedicated members of the Central Alabama Emmaus Community. I am always overwhelmed at the Body of Christ in action as it has been this whole year both in my personal life and doing the Emmaus work that God called me to do. This is all very bitter-sweet, but in the end this has been a great journey and a growing-learning process. I love each and every one of you and I will always be here if you ever need me for anything.
