*'I am increasingly inclined to think that there should be some Regulatory Oversight. Maybe at the National and International level. Just to make sure that we do not do something very foolish. I mean, with Artificial Intelligence we are summoning The Demon'. -Elon Musk warned at MIT*

If one looks at the Scientific Research before March 2020, the Peer Reviewed Papers in Scientific Journals dealing with Nano-Technology were the cutting-edge of Research, and still is. This type technology promises an amazing array of potential abilities to help and benefit Humanity through Nano-Particulates. What are Nano-Particulates? These are metallic type of Micro-Structures that are programmable, can self-assembly and self-replicate inside a Human Body. They are so small; the Particulates are smaller than a Micron. The Nano-Bots can be injected into a person's Blood Stream or Muscles.

What the Papers proved and prove is that the Nano-Particulates or Bots can be remotely programmed and/or controlled by commands to repair a Heart Valve or a broken Tendons, one day. They can be injected into a Human Body to accomplish a designed outcome. The ultimate goal would be for example, to have the Nano-Bots serve as an 'Interface' between Man and Machine. How so? It would be by transitioning certain parts of the Human Body, or organs or cells, into Living Programable Tissue. The Medical Possibilities would be amazing. However, realize that all such technology has been and is being developed for Military and Warfare capabilities also.

This interfacing would/could render the Human Body a virtual 'Biological Network' that can be interfaced with the 'Internet of Things'. So? It can be controlled. Who has studied and developed such amazing Nano-Technology? In the USA, it has mainly come from Grant Research awarded to prestigious Universities but on behalf of Government Military-Type Projects. This is the stuff of 'Captain America' Super Soldier Operations, etc. The mere fact that the Internet, Cell Phones, Wi-Fi are available now is that they all started as DARPA Black Operation Projects. And they have been allowed or released to the Public for consumerism and to help further the eventual Agenda. And that is?

How through Nano-Particulates, the entire Human Being can be controlled, from within, not only at the Physiological Level of the mere Body, but the Mind as well and eventually a matter of the Soul. In an interview with Israeli Scientist, Yuval Noah Harari, Anderson Cooper of CNN asked about the future of 'Man vs. Machine'. The Israeli Scientist basically said that Humanity now has the technology to command the Human Genome. It was a 60 Minutes Episode posted on October 31, 2021 entitled, 'The Future of Sapiens'. In the mind of the Israeli Scientist, the majority of Humanity will be useless.

## **A Biological Caste System**

Now what that will translate to the Eugenicists, is that certain Humans then need not exist. Harari clearly declared that in the coming years, there will be the 'Greatest Inequality' in Society in all of Human History. That is already fact in 2021. Proof? The New Zealand Prime Minister grinned when asked that due to the perpetual Lockdowns and Tyrannical Mandates, it was going to create a 2-Class Society. The Injected with all the 'Freedoms' allowed, and then the Non-Injected that will be subjected to Persecution.

Harari talked about now having 'Different Biological Castes' as those in certain countries will be able to afford such Technological Integration. Harari, a PhD in History made the comparison how in Ancient Cultures, the ability to master Language unified enough People to cluster and emerge as a 'Civilized' and organized Society. And for what purpose? To ward-off and eliminate the 'Neanderthals' what prevented their 'Evolution'. Translation? He stated that Humanity has reached such a Synthesis of needed change.

That this 'Evolution' will either have the Masses 'Cooperate' in this 'Unification' for their 'good' of course. Or if not, like Neanderthals, they will have to be dealt with. How so? That they too need to become 'Extinct'. Hello Genocide. And what better way than through a U.N. led COVID Plandemic as a façade and cover to do this dastardly deed. Harari, wisely and honestly asked himself, where is all the Data going to and who is controlling it and what are they using it for? Harari, though naively proposed 3 Protocols in going forward with the new Data Mining frenzy that is being also collected every time someone takes the COVID-19 Injections.

*1- Every time Data is collected from an Individual, it should be used to benefit the Individual, not the DATA Collector.*

*2-Whenever there is a measure to increase Surveillance, that in kind, there should be an equal proportion of Surveillance allowed of said Company collecting the Data.*

*3. That all Data Collections, be it Medical in particular as it was in Israel in how the Government allowed Pfizer to acquire over 90% of People's Medical records and DNA, that no Data is to be concentration into one single 'Corporation' and Entity.*

Well, Harari even stated, if not, then this is exactly the Protocols that will lead to Tyranny. This is the plan. Can one say? Mark of the Beast? AntiChrist? The coming Tribulation Period? Yes. It will be unfortunately how such 1-2-3 Protocols are even being developed and implemented now. Then Harari used a term, 'To Hack a Human'. He defined it as, 'Getting to know a person, better than they know themselves'. And this by all the information and Data collected over all Social Media Platforms, Internet Searches, Buying Patterns, Credit Card Purchases, etc.

Consider the Beast's number 666 and the link to Nano-Particulates and the COVID Injection. It is what is in them. Graphene, a key ingredient in the COVID-19 Shots, on a molecular level is a single layer of Carbon Atoms. The 666 association? Carbon has 6 Protons, 6 Neutrons and 6 Electrons (6-6-6). Carbon is the elementary 'Building Blocks' of Organic Matter, such as a Human Body. It is complimentary and why chosen.

## **It is an Experiment**

What others have alerted the World is that such individuals like in Moderna, who had never been in the 'Vaccine' Business before, have publicly come out to say that with such Data, they can actually 'Hack into the Genome' of Adam. And thanks to what or how? Thanks to Nano-Technology that has now been proven exists in many of their COVID-19 Injections being given to Billions in the World. Well, many do agree, not all the COVID-19 Vials appear to have the same Ingredients.

This is true and has been found to be the case. But one knows why? It is because this Emergency Authorization Use that said COVID-19 Injections that are being pushed on the Masses is just that, an Experiment. And in a Clinical and Scientific Experiment, you need Control Samples, or those that get a Placebo or no lethal dose. And depending on one's Body Chemistry and Physiology, that is why some People drop dead right after getting the COVID-19 Shots, others within days, weeks or months. This is also the reason for the Boosters as they are injecting the People with more of the same. It is not about given or obtaining 'Safe and Effective' Immunity. It is about the Graphene.

It is about delivering into the Human Body enough (6-6-6) Nano-Particulates to convert the entire Human Body into a Living and Breathing Biometric Network to eventually be connected to the Block Chain for one's Digital Wallet, Medical History, Criminal History, Political Affiliation, Religion and eventually whom will one give one's Soul to in Worship. Harari then did breakdown the opposing 'Intelligences' at play here. You have on one hand, Human Intelligence and then A.I. Intelligence, Artificial Intelligence. The problem? Humans have Consciousness and Morals. A.I., does not. Science does not either.

So, in order of the next Leap Forward of Human Evolution to be successful, in the eyes of the Luciferian Eugenicists, either Humanity has to be devoid of 'Morality' and Consciousness or enough to allow such merging of Man with A.I. and beyond. Or those that will be the 'Neanderthals' that resist or be the 'Hesitant' ones, will need to be taken out of the equation, by whatever means necessary to cause 'their extinction'. And since it will be a matter of 'Science', no need to be 'conscionable' about murdering them.

Harari made a chilling prediction that in 20 years, (if Jesus does not return by then), that A.I. will have to be programmed to have a measure of 'Ethics' as to who to 'Kill'. He concluded the interview by stating that he did not what 'to prophesize' but that the control of A.I. requires the 'Cooperation' of that which goes beyond a mere country. Yet this hope will not be realized as it will be what exactly will happen as all Power and Control will be centralized in a coming World Savior. And the new 'Technology' will not be for one's benefit but for its destruction in their coming Brave New World.

Why would such 'Neanderthals' object to this, 'Next Stage of Human Evolution'? Primarily, Human Consciousness and Morality stems from the only True Creator, YHVH. He made and gave an explicit command to all Species to only reproduce after their 'Own Kind'. So, any cross-Species or 'Hybrids' was and is in violence of YHVH' Prime Directive. Yet, this is what, according to the Bible, Lucifer, many of his Fallen Angels and Watchers did on purpose and are doing; now through COVID Injections.

## **Gods of Trans-Humanism**

They crossed Species and for that, it was a Sin and so dire was the consequence that the entire Human Race had to be 'wiped-out', literally by the Flood of Noah for a new 'Reset'. So, this is the real reason for the 'Vaccine' Mandates. It is a 'Purge' going on to identify and eventually target all those that have precisely a Conscious and abide by a Morality. Or in other words, the dreams of Eugenecists to illuminate any Human they see or deem as 'Inferior' or 'Non-Essential'. It is now possible to cull, biologically en-masse. How? Through Injections as a delivery mode, to include like Microneedle Array Patches.

That once incorporated in the Biological Tissue of a Human Body, thanks to the Nano-Particulates, can be activated to transmit through Sound and/or Light. 'Commands' would be able to be 'Download' -no different than in an Internet Network. This is the Plan to incorporate every 'Thing' to the Internet of Things. Exactly. As Harari stated, those Companies that own Data, will own You. Realize that Facebook, Pokemon Live, and the like have been funded by the CIA. See Endnotes for citations and Article references. In part, that is why the many prior Scientific Research Papers proving this, have been retracted.

But this is broadly assuming most Humans on Earth would even object to this type of Technology that is being introduced in the COVID-19 Injections. Most People, one would venture to presume would actually welcome this. The issue is that there are still enough of those People that know the Nefarious Agenda, ultimately behind this push. It is a spiritual one, as again, the threshold of Humans now having the Power and Ability to program and control the Human Genome has made now the top Luciferian Elite, Eugenics, 'GODs' on Earth. And as a 'God', such have the power to 'Give Life' and 'Take Life'.

And all those that will refuse to allow their version of Humanity to have their 'Great Leap Forward', biologically will have to be dealt with to be taken out of their way. Since the mid-2010s, especially with CRSPR Technology, the breakthrough has now been achieved where the Human Genome can be cut, spliced, diced, altered, stopped, activated and controlled. Essential, Humanity has now crossed the 'Divine Threshold' in that they have become 'Like GOD', the Creator. With echoes of the Genesis Account of the Bible, the stipulation of what constitutes a 'GOD' is that GOD is a Creator. Creator of Life and of Genes. If you control the Genes, you control Life. If you control the Genes, you are a GOD.

And Biblically speaking, the ability to manipulate the Human Genome will such that the quest for 'Immortality' and to 'Live Forever' will be achieved, although temporarily. This type of New Science is called Trans-Humanism and as with 'New Science', many People are leery or cautious about its unknowns. However, those Powers-That-Be that will to use that for Military and Mass Control of the Masses, have now in their ability to do just that, and they will. No evented 'Weapon', has never been used on Humans. This is why, since March 2020 many of the Scientific Research Papers that had proudly and clearly articulated their findings and associations with having Nano-Technology be that 'Interface' between Man and Machine have been systematically 'Retracted'.

## **A Living Biometric Network**

Any 'hint' that such Nano-Particulates can be 'injected' through 'Vaccines' that will essentially convert the Living Tissue into a Biometric Network is now Censored Territory. Why the fear of having the average Person know about this type of Technology, let alone understand it? It is because it is what is being injected into People, by the Millions, if not Billions by now. And it is about using COVID-19 as a Façade, a Cover through Fear and to inoculate as many People in the world. The goal? As mentioned, transform all Human Beings, as much as possible into 'Living Biometric Networks that can be programmable. It is to totally control all Human Beings; their Body, Mind and eventually the Soul.

This then crosses over to the Biblical, in that Jesus warned in the last book of the Bible, Revelation that there would be coming a day, in the Last Days, just before His return that a Medical Tyranny would be used as an excuse to coerce or 'Cause' all People on Earth to take a 'Mark'. This device or Patch or whatever technology it will eventually look like will however be introduced to the Human Bodies through their Right Hand or Forehead. The issue? This Mark of the Beast, associated with a Number, that of 666 is what will then allow the Powers-That-Be total control and surveillance of a Person, from the inside. It will be such a total control, to the point that People will be monitored on the bases on what then People can 'Buy or Sell'.

Worse, is the warning by Jesus is that if one takes this Mark, the change that the Nano-Technology will have on the Human Body is that its Genome will no longer be 'Human'. In some amazing facet, the line will be crossed as to what constitutes being Human, or enough. The issue? It is because the Creator GOD, YHVH who created Life and Genes, and has even interposed His Name in every DNA Strand became a Human Being, Genetically. Why? But for the sole purpose of saving a lost Humanity's damaged DNA caused by Sin. So, an exchange happened. Perfect Genes for Imperfect Genes was agreed to by Jesus, the SON of GOD.

And this is why only in Jesus, is a resurrected Body promised, Genetically restored to its original design, purpose and Glory. What Lucifer and their 'Frankenstein Science' will pale in comparison. Jesus gave up His Perfect Genetic Body, for it was not corrupted Genetically with Sin. This was also the reason for Him being needing to be conceived immaculately. Jesus was a Willing Sacrifice so that Mankind would be restored Genetically and Live Forever as originally designed. GOD warned in the Bible that in the Last Day, it would be like the Days of Noah.

And 1 main undertaking, worldwide then was the manipulation of the Human Genome. So much so, that it was only Noah that was found to be 'Fully Human' or 'Perfect in his 'Gene-ration' and thus worthy to be saved. Then in Daniel, there is a description of how in the Last Generation, just before the return of Jesus, the 'They' would be 'Mixing' with the 'Seed of Men'. This is not talking about Marriage. This is inference to the Fallen Angels of the Days of Noah that are back with a vengeance mixing their 'Seed' with that of Humanity. How? Nano-Technology. Their Mixing has begun, 1 COVID-19 Injection at a time. This is why all the Medical Censorship and 'Vaccine' Mandates. Evidence?

A few brave Doctors like Dr. Madej, Dr. Botha of South Africa and Dr. Zalewski of Poland have all found 'Hydras' in random COVID-19 Vials. So, the End Game is for the Powers-That-Be to force all People to get the Graphene (6-6-6) Injections. How? They are cornering the World through Economic: Hyper-Inflation, Unemployment, Business Closures. Restrict Personal Freedoms, Public Access to Essential Services like Grocery Shopping, Travel, etc., to force all to get the Injections. It is not about Immunization but about getting the Nano-Particulates into as many People' Bodies as possible.

And those that survive their deadly concoction of Poisonous Ingredients will be ushered in into their COVID World Order and Brave New World Biological Caste System. What is at play here is a Luciferian Conspiracy to counterfeit this Salvation, Promise of Eternal Life and that is going to be done through the manipulation of Gene Editing or Genetic Engineering. And the 'Neanderthals' of the World that stand in their way? Use your imagination. There are numerous sad historical references to choose from. But, no, their coming Brave New World with 'Caste' Systems will not be about enhancing and promoting Humanity to the wonders of YHVH's Creation and purpose. No.

It will be to deface YHVH's image in one's DNA and transform that 'Image' to the likeness of Lucifer. Why him? According to the Bible, he seeks to be the Creator God instead of YHVH. And he has already promised this Lie to Humanity since Eve in the Garden. And what was that Promise? That Lucifer could provide 'True Eternal Life' that would not cause Humanity to 'Die' and that YHVH is lying to Humanity about being able to achieve Eternal Life. But thanks to Nano-Technology, Humanity has crossed this 'God' threshold of being able to 'Create', control, command its very own Genome. They are the Gods of the Genome now.

## **Addendum: From A Carbon to a Diamond**

Carbon forms the Building Blocks of the Physiological Human Body and every Living Tissue on Earth. Biblically speaking, due to Sin, 'From Dust (Carbon) You came from or were Created, to Dust you shall return'... to the Earth. Human Beings, though created in the unique 'Image and Likeness' of YHVH, the Creator had originally designed the Human Body for Eternity. Due to Sin, its Genetic Deterioration took hold and thus the Aging Process and eventual 'Death' or expiration of the Body ensued. It is also why Mankind was and is designed for Earth only as Earth also incorporates the Number of Man, 6.

Thus Carbon having a 6-6-6 link to the Number of Man and 666 of Revelation 13 is that it is Carbon Based and speaks of Death. But realize that also, Carbon is what can lead to Diamonds. It is when Carbon is subjected to prolonged immense pressure and heat that it is transformed into a Brilliance of the Hardest Substance known to Mankind, a Diamond. And with each 'Cut' and Handling, the more it is Cut and Handled, the more it reflects the Light Sources.

## **Building Blocks of Life**

Almost **99%** of the Human Body Mass consists of 6 Main Elements; namely: Oxygen, Carbon, Hydrogen, Nitrogen, Calcium, and Phosphor. **65-90%** of each Cell in the Body is composed of Water, Oxygen and Hydrogen are among the main constituents of the Human Body.

## **Graphene Oxide**

The reason why COVID-19 Injections are laced with 90% Graphene Oxide is because Carbon is highly Electro-Conducting. And the Element is compatible with what mostly makes up one's Physiological Body Tissue. Through Nano-Technology, this interface is possible to convert the Human Body into a 'Living Biological Network'

Biblically speaking, although Humanity is succumbed with the present decay of Carbon 666, on day, Jesus promised to transfer ones Earthly Bodies into an Incorruptible Body that Jesus now has, a 'Glorified Body' that is full of Pure Energy and Light. This is in light of the coming Resurrection and Rapture event where one's 'Carbon Cursed 666 Bodies will be transformed into 'Diamonds' to 'Shine like the Stars in Heaven as promised to the Prophet Daniel.

The Light is the reflection of the one true Light of Jesus that saved Humanity by offering His Body to secure such a Transformation. And as hard as has been through many 'Cuts' and 'Handling' one'd 'Carbon', by the Hand of the Creator in one's Life, it has produced a Brilliance of the Reflected Glory of Jesus. Every Discipline, every Trial, Ailment, Setback, Failure, and Disappointment, Jesus, like the Potter, forming the Clay, has fashioned and produced something Eternal from it all. GOD became a Human and took on a Body. Jesus knows one' Physical, Psychological and Biological limitations.

He knows what it is to suffer. Yet, Jesus has overcome the World, Satan and Sin. The Bible teaches that GOD collects all the Tears one has shed. And that 'No Eye has seen nor thought entered in the Mind of what Jesus has in store for those that love Him. So, in perspective, as the Bible teaches also, one's 'Momentary' Afflictions' are but temporal and not worthy to be compared to the Glory that will be revealed at the soon coming and Appearing of Jesus for His Bride. This event will close out the Church Age and culminated in the very thing the Luciferins desire, a Resurrection and Indestructible Body of Pure Light and Energy. Graphene Oxide not included.
