

Help Us Shave Mr. Traphagen & Mr. Kennedy!!

- Who:** The Students, Faculty and Staff of St. Anne School
- What:** A competition to see which class can bring in the most school supplies and get to shave Mr. Traphagen and Mr. Kennedy — heads and beards!
- Needed supplies are: pencils (both colored and regular), crayons, markers, rulers, erasers and handheld pencil sharpeners.
- When:** Monday, May 13— Friday, May 17
- Where:** Each class will have a box in their classroom to place their donations.
- How:** On Friday, May 17 we will weigh the boxes from each classroom. The class who has donated the most supplies based on weight, will win the opportunity to shave the heads of Mr. Traphagen and Mr. Kennedy (eyebrows not included!). Each student will get a turn at the clippers!
- Why:** One of our alumni, Autumn Cybulski, is heading to our sister school in the Dominican Republic. She would like to take school supplies with her to give to the students at the school and asked if we would be willing to help. We thought it would be a great, final service project for the year!
