

Scrip Sign Up Instructions

1. Go to www.shopwithscrip.com
2. Click the gray button on the top of the page that says "Register".
3. Click the blue button that says "Join a Scrip Program".
4. Enter the EHES PTO enrollment code D36LC5D231L23.
5. Create a user name and password, complete required information, and select your security questions, then click "register". Please be sure to enter your Child's information, we must be able to verify that you are a parent at our school to avoid fraudulent accounts from being created.
6. You will then be required to register a phone number with your account. Once you receive the confirmation code enter it and click "submit".

Your enrollment is now complete and you can begin placing orders if you are paying via check. Please note your check must clear our bank account before we can distribute your cards to you.

If you would like to have your order debited directly from your checking account, rather than submitting a physical check to the PTO, you must complete the following steps.

1. Log into your account and click "dashboard" at the top of the screen.
2. Scroll down and click PrestoPay (on the right hand side under Shopping Lists)
3. Read the information on the page, then click "Yes and I Agree" on the bottom.
4. You will need to enter some information from your checking account, so it helps to have your checkbook or a canceled check handy. Enter the information then click next.
5. Please read this section very carefully as it outlines the steps you must take prior to placing an order. Note, you must also wait to get a confirmation email back from the PTO....there's still additional steps to take before you can place an order!
6. Once you receive the required bank deposit information as outlined on the web page in step 10 above, log back into the www.shopwithscrip.com website utilizing the login and password you created previously.
7. On the top of the Family Home screen will be the following message: Your presto pay account has not been verified, click here to verify. Please click the available link.
8. Enter the info requested (which is the amount of the deposits made to your account). You will then see another message with directions that must be followed. These are additional steps you must take prior to placing an order. Note, you must still wait to get a confirmation email back from the PTO....be patient, almost complete!
9. Once you receive an email from shiopwithscrip.com with approval codes, please forward those codes to me at the following email address: info@ehepto.com
10. We will then send you a confirmation email. Once you receive the confirmation email from the PTO (this typically takes 2-3 days), you will be authorized to utilize presto pay and may now begin placing order. HAPPY SHOPPING!
