

Sunrise Montessori School is celebrating 20 years of fostering independence, responsibility and wonder in the children who we've been fortunate enough to teach. Now, we're creating this fundraiser to highlight how much our community has helped build and support everything we achieve here.

Purchase a brick below and customize the engraving for your family/friends/organization, and/or choose a brick that we'll adorn with quotes and areas of curriculum from the Montessori methodology. These bricks will be used to replace the walkway into our school, paving the way for incoming students long into the future. The funds raised from this campaign will also give us the opportunity to continue improving on the things that already make Sunrise great – offering continuing education to our teachers, new materials for our classrooms, and other updates to our infrastructure.

We thank you for your contribution, and look forward to what the next two decades at Sunrise Montessori will bring with a community as strong as ours.
