

Stevie lead us off with the Pledge of Allegiance and Moment of Silence.

Last month's meeting notes read and approved

Scott gave Treasury Report

No Legislative Report this month

Big thanks go out to Robin Braden for heading up this years Road Clean-up and thanks to everyone who showed up to help. We finished up in under an hour.

Another big thank you to all who took time out of their busy Saturday to come help sell raffle tickets for this year's motorcycle at Jays. We signed up new members and sold some Look Twice, Save a Life yard signs as well.

Rich and Sue are getting the rest of the details together on our Food Pantry Run scheduled for July 28th. We will be starting at the Blind Squirrel in Gaylord and ending up at The Elkhorn in Vanderbilt. Other stops are getting worked out so there will be an additional 2 or 3 stops. The ride is a \$10.00 donation for Bike and Rider and passengers are a \$5.00 donation. So get this date on your calendar.

Starting May 14th, Porter Haus in Gaylord will be having Bike Nights every Monday. They are really excited to bring this to Gaylord, so let's get out and support them. This is their 1st year, so they will be tweaking it as they learn what they need to do to make it a success. All we need to do is SHOW UP and give them our support!!!

On that note, it was voted and approved to move our Summer Meetings to the 1st MONDAY of the month to the Porter Haus at 6pm, June, July and August.

Remember: Field Meet June 8-9-and10. If you want tickets a head of time Call 269-435-2058. You have until May 31st to get them for \$20/per person--\$35/couple after that \$30 per person.

Our September meeting will be the Sunday of our 911 Event and then back to Timothy's Pub on the first Sunday of the month starting in October. If anything changes, I will let you know, but that's the plan!

Our 911 Event will be here before we know it and we still don't have a Chairperson. So, since no-one want's to step up, I will be getting ahold of people to help. If everyone could take on 1 responsibility, that would be a tremendous help and that way it is not solely on 1 persons shoulder. If there is

something you can help with, get a hold of Bob 989-732-5534 .

Our 911 Remembrance flyer is getting a few re-touches and should be available by next meeting. We will have day passes available for \$10.00

On our Bike/Pavilion games, the winners will receive a ticket for the Bike Raffle, which seemed to be a hit last year.

There is Limited Electric so bring your generators (the last couple of years has been a little chilly)

.

We really need our Region 4 members to step up and help support this event. We know everyone has things going on, summer is short and some plans are made ahead of time, and again it shouldn't be left up to 1 or 2 people as this takes a lot of planning and it is OUR ANNUAL EVENT!!!

The season is upon us, so everyone, please be safe out there. God Bless!!!

Meeting Adjourned at 1:05pm
