August 8, 2020

Dear Friend,

As the school year begins so does the annual Lincoln County R-III Education Foundation (LCR3EF) Sponsorship Campaign. The support of yearly sponsors enables our fundraising activities and contributes directly to support of the Lincoln County R-III District.

**Who are we?** LCR3EF is a non-profit (501c3) organization. The LCR3EF Board is comprised completely of community volunteers who are passionate about excellence in public education and community philanthropy. We believe that by investing in the students of this community, we are investing in the future of all citizens of Lincoln County.

**What do we do?** We support education excellence in the Lincoln County R-III School District by funding projects and programs not otherwise possible within the constraints of the District's annual operating budget. **Our goal for the 2020-21 school year is to provide support of Distance Learning by funding WIFI Hotspots.** In addition to the grant program, the LCR3EF provides 501c3 status and financial oversight for Bright Futures and Buddy Bags, which assists district students with basic needs.

**Why become a sponsor?** We are proud of many the instances, both formal and informal, of helping connect community philanthropists with the needs of our students, thereby developing community partnerships. As a sponsor, we will gratefully acknowledge your support in multiple forms of recognition including social media, promotional materials, event programs, and event signage. Your sponsorship makes known your support of this community and its students. You inspire others to get involved in philanthropy and create lasting opportunities for the future.

**Our track record:** In the last 8 years, LCR3EF has awarded 202 grants to district schools with a value over \$623,000. That's an average of \$77,875 per year. It is only through the generous support of individuals and companies like your own that the Education Foundation has had such success.

**How you can participate:** Help support this philanthropic endeavor of promoting education excellence in our community by becoming an LCR3EF sponsor. Several great options are detailed in the attached. We would love to meet with you to discuss these opportunities. Please feel free to contact us at your convenience.

Thank you for your consideration!
