Victory Christian School has been such a blessing to our family in more ways than one. We first began as a childcare family. Both our kids started on the childcare side when it first opened in June 2022. We instantly knew we were in the right place. The kids loved going and we enjoyed hearing about what they learned about Jesus each day. Over the years, both our kids have now transitioned over to the school side. The transition for both of our kids has been amazing and very smooth! They still are hearing the Word of God each and everyday. One of our favorite questions to ask the kids is "What did you learn in Bible today?" We know they are being fed the truth about who our God is and we couldn't ask for anything more.
