

GBN Parents' Association

Board Position Report 2017-2018 School Year

Board Position: Dean's Advisory Committee
Chair Name: Deborah Phadnis
Phone: 847-272-1381
E-mail: deborah_phadnis@yahoo.com

Your Role: Meet with GBN Deans to review current policies and recommend changes/awareness to the Board of District 225 when needed. Mostly we receive updates of the issues facing the school at the Board level. This meeting typically happens quarterly and those meetings are set at the beginning of the year. Meetings last no more than an hour and have started at 3:10 pm. After the GBN Deans Committee meeting, attend the following PA Meeting and provide a report of the main topics discussed. Interesting stuff!

Jean Boklewski is the contact for meeting times and places. Be proactive to check in on meeting dates and confirmations:

Jean Boklewski
Glenbrook North High School
Executive Assistant Dean's Office

I was the only PA Rep this year since the other parent backed out. I was not made aware of the 1st meeting and then 2 of the meetings were canceled... so I went to just 1 meeting this year. There is no need for two people to go, but it is interesting info and they are happy to have others attend... and it's nice to have back up if one cannot make it. Betsy Sharpe indicated interested in joining me in the 2018-19 school year.

No need for a budget since no purchases are necessary.
