**Saturday December 15 HAT and SHIRT ORDER DEADLINE**

---

The final date for you to take advantage of the promotion and place your order for Club Shirts and Hats is 12/15/2017. When going to Power Image to look at shirts and hats your "key" contact persons are Amanda and Ryan; working hours 9-6.

Power Image would like to make things easier to order. They would like to make a single run of all of the shirts and hats. This will keep their cost and the setup time down and in the long run give us the promotional price.

Since each member will be paying separately, Power Image will set up individual orders in their system. This will also ensure that Power Image can provide the details to production such as car color, shirt color, etc. Members need to pre-pay which they can do with a card over the phone or bring in cash/check/card. Please add to your order sheet the car color you want and your phone number.

Other brands/styles of shirts are available at an additional price. Power Image is located at **335 S. Bluff St. St. George 84770** if you want to go in and try on shirts.

## CAR OF THE MONTH

We have admired America's sports car since its inception. We have been fortunate to have owned a few since then. This is our third Z06. We particularly love this C-7. Incredible does not begin to describe this car.
