

TO BE COMPLETED AND/OR REVIEWED BY THE PRESENTERS

PLEASE LIST 1-3 RECENT REFERENCES UPON WHICH YOUR CONTENT IS BASED IN ORDER TO VALIDATE THE SCIENTIFIC BASIS OF YOUR PRESENTATION.

All the recommendations involving clinical medicine in an educational activity must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.

All scientific research referred to, reported, or used in an educational activity in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection and analysis.
