RE: UPDATES TO AGENT LICENSING APPLICATION PROCESS

Beginning November 1, 2020, Pearson VUE will be the new vendor for processing insurance producer licensing applications for the Agent Licensing Division of the Georgia Office of Commissioner of Insurance and Safety Fire.

The licensing process will largely remain the same under Pearson VUE. However, improvements are being made across the board as we move towards simplifying and streamlining the process.

Beginning November 16, 2020, paper applications will no longer be accepted through current lockbox. To submit license applications or renewals, please use the following link:
www.sircon.com/Georgia

For additional information and instructions, please review the [Licensing Candidate Handbook](#).

If you have any additional questions, please contact Pearson VUE at
pvgainsurance@pearson.com.
