

INVACARE®  
**PRONTO® M94™**  
POWER WHEELCHAIR

The **Invacare® Pronto® M94™ Power Wheelchair with Invacare® SureStep® Suspension** combines innovative features and exceptional quality to provide a power wheelchair that meets the mobility needs of bariatric consumers. The M94 Wheelchair features the patented Invacare® SureStep® Suspension that makes negotiating thresholds and transitions of up to 3" high effortless. Also featured is the patented Stability Lock technology that helps ensure that the chair will remain stable with the consumer in control. These two innovative features paired with its sleek styling make the Pronto M94 Wheelchair a truly exceptional power chair for consumers weighing up to 500 lb.

### Captain's Seat Features

Semi-reclining back (standard) for additional comfort  
 Width adjustable flip-back arms (standard) with optional height adjustment
