

Parents:

Show Your Commitment to Your Children’s Education—participate in the 10th Annual Fame Fathers Walk on Thursday, September 19, 2019.

How?

- **Fathers and Father-Figures:** Walk or drive your children to school on Thursday, September 19, 2019.
- **Moms:** Encourage your children’s father or father-figure to participate in this event.

Fifteen years of research tells us that when fathers/father- figures are involved in their children’s education, children perform better in school. This year, we expect that 10,000 fathers and father-figures will walk or drive their children to more than 50 Summit County schools to show their children that they understand how important education is to their future. Many schools will have a short program.

Fame Fathers is a founding partner of the Summit County Fatherhood Initiative www.summitfathers.org
