About the Tennessee Skyward Users Group

TNSUG is an independent non-profit users group established for the benefit of the member users of Skyward, Inc. software. The purpose of this group is to:

- Provide an annual conference to educate members
- Be a resource for other Skyward users by communicating best practices and providing networking resources
- Provide input and guidance to Skyward for enhancements of its products and services

The steering committee is a group of unpaid members from Skyward districts. The steering committee acts as a liaison to Skyward, Inc. about the following:

- Software support
- Hardware support
- Suggestions for software improvements
- Provide networking events for sharing of knowledge and experiences among users

Tennessee Skyward Users Group

State Reporting - TEDS
State Reporting/Student Management   Presenters: Baylie Holnbach   Room: Ballroom 1
This session will cover data setup, configuration and identities of Ed-FI.

Custom Transcripts
Student Management   Presenter: Arthur Summer   Room: Gardenview B
This session will cover the steps needed to create Custom Transcripts. Make your transcripts fit your needs.

Discipline Overview
Student Management   Presenter: Becky Thomason   Room: Gardenview C
In this session we will discuss entering Discipline records for students, Auto email options, what families can see in Family Access and giving teacher's access to enter Discipline

New Users Bootcamp 2
Student Management   Presenter: Joe McBrayer   Room: Gardenview D/E
A continuation of Part 1, this session will cover Fun with Filters, Tips and Tricks for Navigating the system, Underutilized Features and a Question/Answer Session.

Qmlativ Overview – Student   Presenter: Adam Johansson   Room: Ballroom 1
Student Management
This session will cover a general overview of the Qmlativ solution. Topics to be covered include general navigation, user experience, reporting, and high-level module enhancements.

Help Desk F/HR   Aaron Messier   Room: Mountainview A
Help Desk   SM   James Bembeneck   Room: Gardenview A

LUNCH: 11:30 am to 12:30 pm / 12:00 pm to 12:50 Welcome and Introductions - Ballrooms 3/4

Employee Mid-Year Changes - Assignment/Payroll
Human Resources/Payroll   Presenter: Bill Lindvig   Room: Mountainview B
This session focuses on how to address mid-year new hires, terminations, position changes and salary changes.

Task Manager for Human Resources/Payroll
Human Resources/Payroll   Presenter: Ann Nollinger   Room: Mountainview C
Task Manager is Skyward's free module that allows districts to set up their process/work flows. See how this tool helps districts organize and track processes/work flows when the steps, employees, and data involved have been identified.

SMS Newer Business Features
Financial Management/HR   Presenter: Aaron Messier   Room: Mountainview D
Time to explore some of the latest and greatest options. This session will be a demonstration of some of the newest options available.

Government HR/Payroll/Budgetary Q & A
 Financial Management/HR   Presenter: Brent Siebring   Room: Ballroom 1
This will be a round table type discussion of the unique challenges for set up and reporting of Government HR personnel information.

Utilizing Processing Lists
Student Management   Presenter: Arthur Summer   Room: Gardenview B
Learn how to build a report in one area of the software and then use the students from that list to create reports/mailing labels etc., from different areas.

Elementary Scheduling for the New Year
Student Management   Presenter: Becky Thomason   Room: Gardenview C
Student Teams, Student Groups, Mass Adding Students to a Course, Mass Copy Students from one course to another – all tools available to make your Elementary Scheduling easier.

State Reporting Updates/Best Practices/CRDC
Student Management/State Reporting   Presenters: Baylie Holnbach   Room: Gardenview D/E
This session will dive into primarily CRDC, which will be collected again for 21-22, and briefly mention PRs users can expect to see in the coming weeks.

Migration Center
Student Management   Presenter: Tim Casey / Adam Johansson   Room: Ballroom 2
Destination: QMLATIV.FIRST STOP: MIGRATION CENTER
Is your district thinking about migrating to Qmlativ? If so, you won't want to miss this session! We'll show you around the all-new Migration Center – your info-packed, step-by-step migration hub – and go over what that preparation process will entail.

Help Desk F/HR   Marc Johnson   Room: Mountainview A
Help Desk   SM   Joe McBrayer   Room: Gardenview A

1:50 pm to 2:10 pm Afternoon Break   Ballroom 3&4

State Reporting - Payroll/HR

State Reporting/Human Resources/Payroll   Presenter: Ann Nollinger   Room: Mountainview B

Topics to be covered time permitting include:
- TCRS Reporting (Legacy)
- State of TN 401k/457 (Hybrid)
- TN Compass Reporting
- 3rd Party Retirement reporting
- Non-licensed Personnel Report

Advanced Employee Data Mining

Human Resources   Presenter: Marc Johnson   Room: Mountainview C

Learn more about how to better use the Employee Data Miner to pull data in creative ways in a variety of formats.

AP Advanced Options

Financial Management   Presenter: Aaron Messier   Room: Mountainview D

Learn about advanced features in Accounts Payable for paying your vendors, including Vendor ACH and timesaving workflows used for Expense Reimbursements.

Panel Student Discussion: Veteran Skyward Users

Student Management/User Lead   Presenter: Susan Dean, Jennifer Conner, w/ Jake Larsen   Room: Ballroom 1

Wondering how other districts handle specific tasks? This session will have experienced district users and a Skyward support member to discuss questions you might have. This is a chance to possibly find a different way to accomplish a difficult task.

Future Scheduling Start to Finish - Overview

Student Management   Presenter: Becky Thomason   Room: Gardenview B

The Future Scheduling season is upon us! Attend this session if you want a refresher on the overall process and learn some tricks for a smooth schedule production next year.

GPA Calculation\Honor Roll\Class Rank\Transcripts and Transcript Labels

Student Management   Presenter: James Bembeneck   Room: Gardenview C

This session will go over how the GPA calculation setup is used in determining the results of Honor Rolls, Class Rank, Transcripts, and Transcript Labels. You will see suggestions for the setup to Create Honor Rolls, Options for Class Rank, and an overview of setting up Transcripts

Online Enrollment - Students returning

Student Management   Presenter: Arthur Summer   Room: Gardenview D/E

This session will cover the concept, set up and processing of the On-Line Registration process for students returning to your school. We will step through all options available.

Advanced Features

Student Management   Presenter: Brandi McBrayer   Room: Ballroom 2

Have you ever wondered how the options under the Advanced Features tab can help make your life easier? If so, this session is the one for you.

Help Desk F/HR   Bill Lindvig   Room: Mountainview A
Help Desk   SM   Adam Johansson   Room: Gardenview A

Session #5   3:10 pm - 4:00 pm

Newer Users and Refresher - FIN/HR
Financial Management/HR   Presenter:Bill Lindvig   Room: Mountainview B
Discover if there are options within the Finance and HR module that will allow you to speed-up or streamline your process steps. It will run through employee profile versus employee browse, screen configurations, views, and filters. This will make finding information in employee profile easy. Maybe YOU have some useful tips that you would like to share as well!

W2s and 1099's
State Reporting/HR/Financial   Presenter: Marc Johnson   Room: Mountainview C
A refresher course on how to process your W-2s, and tips for correcting exceptions that are reported. Will also be similarly demonstrating 1099 processing.

Beginners - Budgetary Data Mining
Financial   Presenter: Brent Siebring   Room: Mountainview D
This session will review the basics of constructing reports for Revenue/Expense reporting and Balance Sheets. We'll discuss the purpose of the various fields in each setup screen.

State Reporting Data Corrections
State Reporting/Student Management   Presenter: Baylie Holnbach   Room: Ballroom 1
This session will demonstrate EIS processes and troubleshooting.

NSOE New Student Online Enrollment
Student Management   Presenter: Arthur Summer   Room: Gardenview B
This session will provide an overview of the New Student Online Enrollment (NSOE) portal, and how to utilize the portal to allow parents to enroll new students into the district.

Understanding Standards Gradebook
Student Management   Presenter: James Bembeneck   Room: Gardenview C
Skyward has developed a Web-Based grade book designed specifically for Elementary teachers. This session will cover the skills based approach and demonstrate the benefits of the Standards Based Gradebook.

SMS Newer Student Features
Student Management   Presenter: Jacob Larsen   Room: Gardenview D/E
With the crazy start and end to this school year, you may have missed, or just didn't have time to explore some of the latest and greatest options. This session will be a demonstration of some of the newest options available within Student Records.

Virtual Students and Secondary Enrollment Roundtable
Student Management   Presenter: Joan Palmer / Brandi McBrayer   Room: Ballroom 2
Have a new Virtual Public school? Have questions on inter-district students with a secondary enrollment? Come and share how it works and what works great for your system.

Table/Help Desk F/HR   Aaron Messier   Room: Mountainview A
Table/Help Desk SM   Joe McBrayer   Room: Gardenview A

       2:10 pm - 3:00 pm   Session #10

DAY 2: THURSDAY - JUNE 2, 2022

Session #6   9:00 am - 9:50 am

Budgeting Options
Financial Management   Presenter: Kathryn Smerz   Room: Mountainview B
This session will cover popular web budgeting options, including budget requisitions, mass change options, budget entry options, budget exporting/importing, and online budget transfer requests.

Employee Contract Letters and Posting to Online Forms
Human Resources   Presenter: Marc Johnson   Room: Mountainview C
This feature allows the user to produce letters or documents with employee-related information embedded in the documents without needing a mail merge! You can save templates for re-use and you can include fields created in Custom Forms.

True Time Rule Group Options
Human Resources   Presenter: Ann Nollinger   Room: Mountainview D
Have you had True Time setup for a while now but are wondering if there are other options that you could be using or in a better way. This session will explore how the options work to track time entered for various scenarios.

Special Programs Tabs
State Reporting/Student Management   Presenter: Baylie Holnbach   Room: Ballroom 1
This session will delve into the NCLB tab on the student profile, as well as briefly cover each special program.

Best Practices to Protect Against Ransomware
Student Management   Presenter: Dave Mancel   Room: Gardenview B
School districts are the number one target for bad actors who wish to profit through Ransomware. Learn how to best protect your district by implementing a Security Awareness program for your users. We will also discuss best practices for database backups and rebuilding your on-premises Skyward servers after a ransomware event. We will also discuss the importance of Security Assessments to ensure your network meets Security Best Practices.

Student Data Mining Beginning
Student Management   Presenter: Jacob Larsen   Room: Gardenview C
This session will include an overview of Data Mining and give tips and tricks to make Data Mining work for you giving you tips and tricks for options that will make your work faster and easier

Attendance Letter Setup
Student Management   Presenter: Adam Johansson   Room: Gardenview D/E
This session will cover how to setup and generate letters notifying parents/guardians of poor student attendance.

Custom Forms Making them work for you
Student Management   Presenter: Joe McBrayer   Room: Ballroom 2
This session will cover creating custom forms in Student Management. Explore single forms vs Multiple forms per student, setting up data types, field type choices, Skyward fields, custom fields

Help Desk F/HR   Aaron Messier   Room: Mountainview A
Help Desk   SM   Brandi McBrayer   Room: Gardenview A

Advanced Budgetary Data Mining
Financial   Presenter: Brent Siebring   Room: Mountainview B
This session will provide advanced instruction for creating custom finance data mining reports. Maximize your data mining reports by learning how to utilize features you may not have known existed in the reporting setup.

Salary Negotiations and Budgeting
Financial /Human Resources   Presenter: Bill Lindvig   Room: Mountainview C
They say 80% of a district's budget goes toward salaries and benefits. Join this session to learn how to prepare your budget by using Salary Negotiations. Explore setting up budgets for non-salary accounts, and learn how to import, mass change and set budget limits.

HR Custom Forms
Financial Management   Presenter: Marc Johnson   Room: Mountainview D
This session will demonstrate how to create custom fields and custom screens in Employee Profile.
- Demonstrate how to add a Custom Form
- Review form security and access
- Discuss the areas of the software where the forms can be seen with the data for each employee
- See how to create a data mining report for Custom Form fields
- Import data into a Custom Form

Food Service - Free and Reduced/Direct Cert
Student Management   Presenter: Brandi McBrayer   Room: Ballroom 1
This session focuses primarily on application entry in food service. In this session we will discuss how to enter applications that result in Free, Reduced, and Paid benefits. We will also discuss how to manually add Direct Cert applications when students are not included on the state's Direct Cert file. Time permitting, we will also discuss how to import direct cert files into the database and run reports showing which students were left off the state's import file.

Student Management Year End/School Level
Student Management   Presenter: Joe McBrayer   Room: Gardenview B
This session will discuss things to do to prepare for the year end process, checklists and fixes after the year end process and what to expect during the actual running of the Year End Wizard

Graduation Requirements/Career Plans
Student Management   Presenters: Becky Thomason   Room: Gardenview C
Discover how to track/read/analyze graduation requirements – how to use Educational Milestones for graduation – check out Career Plans and see what a great help this is in planning your student's futures.

Attendance Letter Maintenance/Utilities
Student Management   Presenter: Adam Johansson   Room: Gardenview D/E
This session will cover how to setup and generate letters notifying parents/guardians of poor student attendance.

Grading Procedures and Discrepancies
Student Management   Presenter: James Bembeneck   Room: Ballroom 2
This session will cover tips and tricks to resolve GPA-related issues using reports like GPA improvements or regressions and Grade Analysis to name a couple.

Help Desk F/HR   Kathryn Smerz   Room: Mountainview A
Help Desk   SM   Jacob Larsen   Room: Gardenview A
10:50 am to 11:00 am Beverage Break   Ballroom 3&4

Session #8   11:00 am - 11:50 am

State Reporting – TCRS
State Reporting/Human Resources/Payroll   Presenter: Chanelle Engstrom, Candice Gilreath,   Room: Mountainview B
                                                 Brooke Cantrell w/ Ann Nollinger
Learn about processing and reporting to the state for PIRS. A representative from TCRS will be available to discuss and take questions on the retirement process.

Credit Card Processing
Financial   Presenter: Aaron Messier   Room: Mountainview C
This session will demonstrate the credit card process in Skyward. Users will learn how to set up Credit Card Processing and use the check in/out feature, import transactions, and build invoices.

Subtracking/Time Off Importing
Human Resources   Presenter: Kathryn Smerz   Room: Mountainview D
Discuss how Time Off, Sub Tracking and HR modules in the Skyward software have an interactive relationship. Learn how the various modules interact with their counterparts and determine a workflow to prevent duplication of entry.

Food Service Reporting
Student Management   Presenter: Brandi McBrayer   Room: Ballroom 1
Learn how to data mine food service fields and review setup for most popular daily and monthly reports.

Secondary Gradebook Overview
Student Management   Presenter: James Bembeneck   Room: Gardenview B
This session will be a general overview of the Skyward Gradebook Secondary program showing you the basic setup, as well as procedures to setting up assignments and posting grades.

Student Management Year Start/School Level
Student Management   Presenter: Joe McBrayer   Room: Gardenview C
During this session learn how each entity and the district handle the Year Start processes.

Student - ADM Troubleshooting
Student Management   Presenter: Joan Palmer, Baylie Holnbach   Room: GardenviewD/E
This session will look at the tools in Skyward for troubleshooting the student's ADM and how to look at EIS to find discrepancies.

Key Attendance Reports
Student Management   Presenter: Adam Johansson   Room: Ballroom 2
This session will cover the top ways to report and access the data after it has been entered.

Help Desk F/HR   Bill Lindvig   Room: Mountainview A
Help Desk SM   Jacob Larsen   Room: Gardenview A

Lunch: 12:00 pm - 12:50 pm   Ballroom 3&4

Qmlativ Overview – Business

Q/Human Resources/Financial   Presenter: Kathryn Smerz   Room: Mountainview B

 Enjoy a sneak peek at the future of our Business Suite in Tennessee and learn how Qmlativ leverages new breakthroughs in technology to deliver an even better experience. We will review both the Finance and HR/Payroll aspects of the software.

A/P Processing and Reporting A-Z

Financial Management   Presenter: Aaron Messier   Room: Mountainview C

This session takes the accounts payable process from invoice entry options through check processing. Some basic AP Reporting will also be discussed to show the user how to pull information from the system on their AP processing.
We'll cover all of the reporting related to the Accounts Payable process including Vendor Check History and Vendor Data Mining.

Payroll Reporting Possibilities

Human Resources   Presenter: Bill Lindvig   Room: Mountainview D

This session will cover various payroll reports and the options included in running these reports.

Food Service Best Practices Q & A

Student Management   Presenter: Brandi McBrayer   Room: Ballroom 1

In this session, we will point out tips & tricks that can be useful in day-to-day operations.

Health Records Entry and Reporting

Student Management   Presenter: Becky Thomason   Room: Gardenview B

This session will provide an overview of entering information for students from the Health module along with commonly used reports for nurses

Data Mining - Advanced

Student Management   Presenter: Jacob Larsen   Room: Gardenview C

- During this session you will learn how to create Data Mining Reports using more advanced tools, such as Processing Lists, Ranges, Sorts, Formatting, Sharing Templates, Creating Letters and Mail Merge etc.

Student State Reporting Year End & Year Start

State Reporting/Student Management   Presenter: Baylie Holnbach   Room: GardenviewD/E

This session will cover basic steps prior to and during the Year End process. Some of the tasks that will be explored in this session are saving final report card to portfolio, next year school path, mass assigning student classification begin and end dates, and mass assigning year entered 9th grade after year end processing.

Family/Student Access-Setup Options

Student Management   Presenter: Arthur Summer   Room: Ballroom 2

This session will cover an over of the Family Access Portal, along with review of the various options within the setup of the module.

Help Desk F/HR   Ann Nollinger   Room: Mountainview A
Help Desk   SM   Adam Johansson   Room: Gardenview A

1:50 - 2:10 Afternoon Break - Ballroom 3/4

True Time Troubleshooting

Human Resources   Presenter: Kathryn Smerz   Room: Mountainview B

Find out how to address issues that occur when processing True Time. Review options that are available when the process does not follow the normal flow for the payroll cycle.

Finance Tips and Tricks

Finance   Presenter: Bill Lindvig   Room: Mountainview C

Discover if there are options within the Finance module that will allow you to speed-up or streamline your budgetary process steps. Maybe YOU have some useful tips that you would like to share as well!

HR/Payroll Tips & Tricks

Human Resources   Presenter: Marc Johnson   Room: Mountainview D

Discover if there are options within the Payroll and HR modules that will allow you to speed-up or streamline your payroll processing steps. Maybe you have some useful tips that you'd like to share as well!

Food Service Year End/Year Start

Student Management   Presenter: Brandi McBrayer   Room: Ballroom 1

Preparing for the close out of the current year and startup of the next year in food service

Health Records Medications/Inventory and Roundtable

Student Management   Presenter: Becky Thomason   Room: Gardenview B

 In this session, we will work on entering in meds and tracking them using the medication inventory.

Custom Report Cards - Secondary

Student Management   Presenters: James Bembenek   Room: Gardenview C

This session will cover the steps needed to create Secondary Report Cards. Make your report cards fit your needs.

Transportation State Reporting Process

 State Reporting/Student Management   Presenter: Baylie Holnbach   Room: Gardenview D/E

 This session will go over the required data to be entered in order to properly submit transportation reports to the state.

Test Score Setup and Import

Student Management   Presenter: Arthur Summer   Room: Ballroom 2

Learn how to configure you District to utilize test scores - Building a test, importing information, Test Score Analysis and Reporting
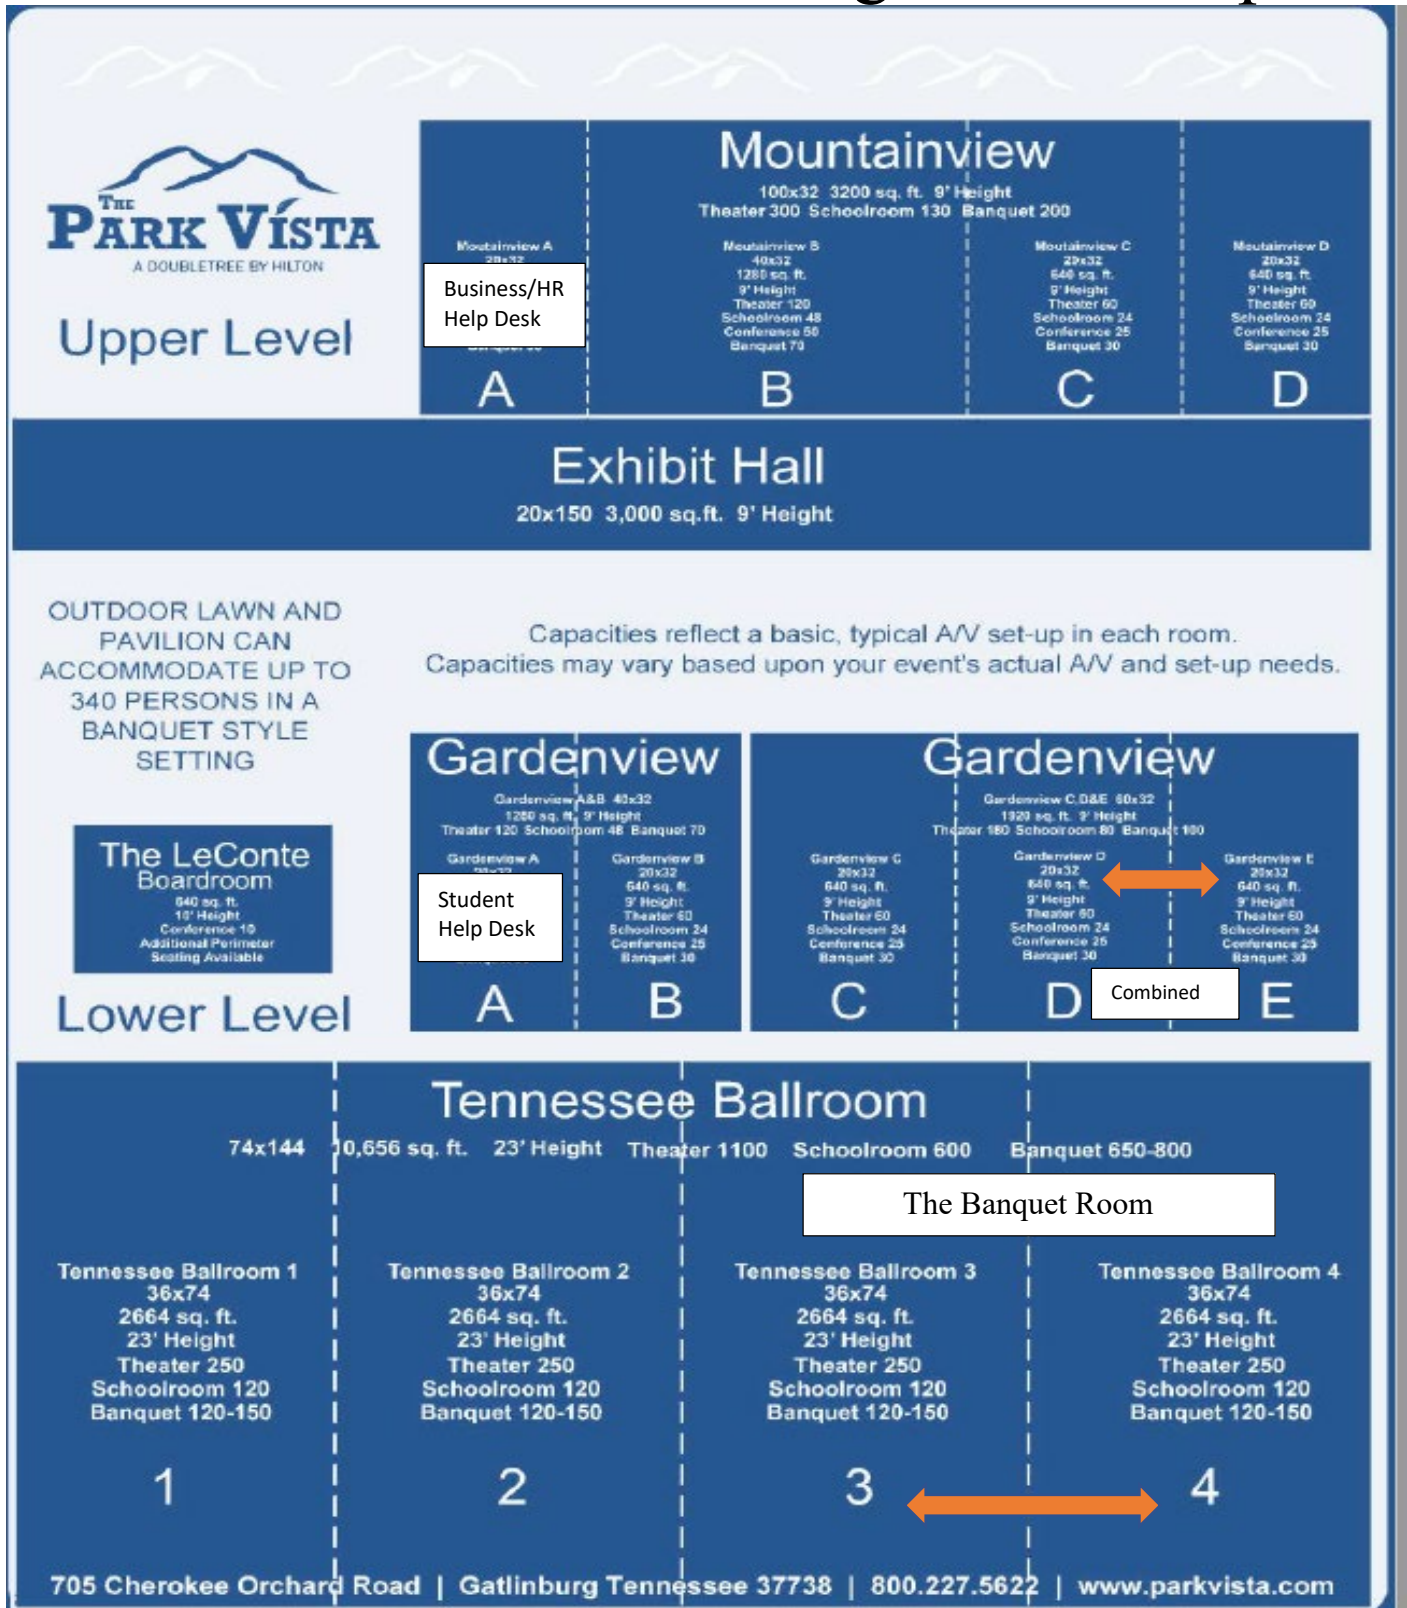

Help Desk F/HR   Ann Nollinger   Room: Mountainview A

Help Desk   SM   Jacob Larsen   Room: Gardenview A

1039 3 Mile Rd NW
Grand Rapids, MI 49544
(866) 770-5856
Representative: Greg Rester
Products/Services Offered: Electronic Payment Services Provider and Online Payment System
EFS is powered by Magic-Wrighter, Inc., and has been providing electronic payments to schools for nearly 40 years. The company was established in 1982 for the purpose of bringing electronic payment solutions to the financial banking industry, allowing banks, thrifts and credit unions to provide cost-effective payment solutions to schools, churches, municipalities, businesses and other organizations. Each and every day, millions of dollars are paid through e~Funds for Schools and other electronic payment services supported by Magic-Wrighter, Inc.
The e~Funds for Schools service has your school's interest at heart and will continue to provide safe and secure payment processing to parents, guardians and all other individuals who make payments or contributions to the school.

Products/Services Offered: USAble Life has been a trusted name among elite carriers in ancillary insurance for more than 30 years. Our financial strength and stability provide you the security you need in an insurance partner. We offer the advanced expertise and capabilities of a major carrier without treating you just like another number.

Vanco company - Silver *Sponsor*
http://www.RevTrak.com
5600 American Blvd W STE 400
Bloomington, MN 55437
(800) 323-5953
 Representatives: Alec Koster, Kasandra Flannigan
Products/Services Offered: RevTrak, a Vanco company, makes it easy for your school district to track every student fee. With RevTrak, all district payments, childcare fees, and food service payments can be collected online with a customized web store built to meet your needs.

Vanco's RevTrak Web Store is the one-stop shop that makes it easy to accept online payments for any school fee. Tennessee districts enjoy the time savings and robust SIS integrations, and parents enjoy that they can make all payments in one central hub.

Vanco is a Skyward Gold Partner, and **Skyward's preferred online payment solution**. We provide the most streamlined way for your district to accept payments from the same portal families already use to check students' grades and attendance.

We can't wait to talk with you!

Online Survey

We hope you had a great time at the conference!

Now that you have participated, we have a few questions we would like you to answer online. With your help, we can make Tennessee Skyward Users Group Conference 2023 even better!
