The Muslim Confederation

This study suggests that the confederation of Inner-Ring will be the Muslim peoples that constitute the various paramilitary fronts. Such Muslim alliances have occurred before against Israel and for that reason, many End Times Biblical scholars are skeptical that the Psalm 83 War is yet to occur in the future. Many propose and believe that such an alliance occurred already in 1948 with Israel's War of Independence, or during the Yom Kippur War of 1973, for example. Although such were the case, not all the Arab nation were present as the Psalm 83 list specifies. As in all ethnic groups, there are varying degrees of unity and dedication. In the case of the Arabs at large, this has been true as the expanse of the territorial dominion of the Muslim World stretches from the Atlantic to the Pacific Ocean and on the 3 main continents of Europe, Asia and Africa.

However, there is no single issue that unites the Arabs or more precisely the Muslim World than issues with Israel than Jerusalem. Aside from the cause of the Palestinians, most other Muslims in the world only pay lip service and provide funds. However in the last decade, due in part by the Syrian Civil War. Once the Syrian Civil War ends, the Muslim mercenaries from all over the Muslim World will converged upon Israel. What this study proposes is that there will be a coming day when there will be an event, so striking and belligerent on the part of Israel that the various Arab fighting factions that in some cases are fighting each other will unit to confederate themselves against Israel in an open and militaristic attack. Such will militarily coordinate an attack on 7 fronts by the 7 ethnic Muslim paramilitary groups.

It is interesting that the factor of 7 always seems to occur when there is a major war or prophetic move in the 'chess board' of the prophetic Middle East concerning Israel. This numerical factor of 7 Muslim people groups or nations occurred in 1948, 1967 and 1973. Although the majority of such people groups would be seen as Arab and Muslim, there is a Biblical distinction based on geographical locals. The following are some geo-political observations regarding why the Psalm 83 War is not yet fulfilled. Although the prophetic pattern is there and has echoed down through history concerning Israel's invasions.

In 1948, the confederation of Muslim peoples could not fit the Psalm 83 narrative and listing of ethnic peoples. During the 1957 Suez Canal War the Muslim confederation of various peoples had no chance at a confrontation. In fact it was Israel with the consent of the British and French that took over the entire Sinai Peninsula. Then in the 1967 6-Day War, it was Israel again that pre-empted the military strike as it was evident that the confederation of Muslim nations led by Egypt to include Syria and also Jordan were poised to strike at Israel. The only time that the Psalm 83 prophecy came close to being fulfilled was during the Yom Kippur War of 1973. In this case there were several Muslim armies armed to the teeth with the latest Soviet weaponry. The Muslim confederation did initiate a preemptive strike on Israel. However, the Palestinians were not part of a nation state at that time.

SPIRIT OF HAMAN

The same Spirit of Haman that sought to destroy the earthly People of YHVH has risen up again in these *Last Days* to attempt such a task. The modern counterpart of Haman, Iran's leaders likewise publically announce the need to impose a national genocide upon Israel. The current Shia eschatology demands such a scenario in order to usher in their Islamic *New World Order*.

The rhetoric used by the Muslim clerics and the Iranian President to eradicate the Zionist 'menace' is taken quite literally by the Israeli leadership, they have to. What is different in allowing Iran to possess a nuclear armory is that it is a pre-requisite tool pledged to be implemented in order to unleashing of the advent of their 'Messiah' -the *Mahdi*.

This study suggests that in the End of Days, it would appear that the Isaiah 17 Burden of Damascus will set the stage for the domino effect of wars that will center on Jerusalem. This study suggests that the cause for this confederated Muslim unity is caused by the Isaiah 17 prophecy concerning the total destruction of Damascus. In fact this Psalm 83 War of the Inner-Ring of Muslim people factions is what this study strongly suggests will pave the way for the Covenant with the Many. It will be when Israel will 'confirm' a Peace and Security status presented by the false Messiah as it will be miraculously victorious over such Muslim people factions. The Psalm 83 verse in the Bible discloses the real heart of the matter for the Muslims in particular. For all the talk of accepting a 2-State Solution, it is a farce.

'Philistia' had no formal fight nor military divisions other than local militias poorly armed. This war was set between nation states against Israel, not any paramilitary faction like the Palestinian Liberation Organization PLO that was founded in 1964. It would be later on that such a group, with the arms and support of all the neighboring Muslim states aided this cause. Since the 6-Day War, the PLO fought directly not only against the IDF, but Jewish civilians and not just in Israel. The PLO then entrenched itself in Jordan then in Lebanon as it nearly took over Jordan. This led to the invasion of Southern Lebanon during the 1980s by Israel. Under the command of Yasser Arafat, the PLO then went to Tunisia. At no other time did the PLO join such a military operation to be part of the coalition to destroy Israel collectively. Thus the key to the Psalm 83 type of Muslim Confederation is the ethnic group of 'Philistia' that joins on an equal footing to the rest of the other paramilitary Muslim factions.

Although the Arab League formed the PLO, it has been helpless in formulating any direct military alliance against Israel, although it has construed Arab military coalitions in the past. In addition, oil rich nations like Qatar do seek to have a EU style defense pack in a unification attempt to bring the Muslim World together in defense of 'Palestine'. The problem with 'Palestine' is that there is no historical precedence of such a nation state wherein 'Philistia' or Palestine was ever sovereign as Israel was and is. The Gaza Strip had always been incorporated in the governed states of Jordan and Egypt, which again coincidentally the Palestinians never demanded a state of their own nor where the Muslim nation states ever thinking of granting one during those 'occupying' times. There was never a normal or informal 'Palestine' to speak of. Only in these Last Days, coinciding with Israel's 70-year anniversary is there an informal State of Palestine to speak of.
