

Ashtead All Stars : Weekly Update

W/c Monday 14th October

Results from Last Week:

Nonsuch League:

U10 Scorpio v Whitton Lost 0 – 3

This score did not reflect the end to end netball being played. This was Scorpio's first ever match and they played really well in horrible wet conditions. Great team spirit and plenty of enthusiasm.

U10 Pegasus v Nettles Won 8 – 1

What a terrific result! This was Pegasus's first ever match and, like Scorpio, they played with great spirit and enthusiasm, and they popped the goals in too !

All other U10 and U11 fixtures were cancelled due to the heavy rain.

Dorking League:

U12 v Waverley Vipers B Won 16-1

Despite the awful conditions and a very slippery ball, the girls played brilliantly. Lovely flowing netball was seen at times and some fabulous teamwork both in attack and defence. Well done girls.

U13 v Wey Valley Lost 14-3

Although the girls found themselves up against a well-established team who played some very slick netball, they fought throughout the match and had some moments of good play showing real potential and plenty that we can work on. Lovely effort in defence from Laura and Charlotte.

U14 v Wey Valley Lost 2 – 24

Such a shame. The girls played well, and worked hard, but Wey Valley were slick and controlled. Our passing really let us down; too many loopy and wayward passes. Star Player, as voted by our opposition, was Rebecca Fanthorpe.

The Week Ahead:

Monday 14th Oct 4pm – 8pm: Training at the Rec. All Years

Wednesday 16th Oct, 6-7pm: U12 Squad training at Downsends

Sunday 20th Oct: U12 and U13 Fixtures at Nonsuch

Any Other News/Business:

Ashtead All Stars went on tour (U12, U13 and U14) 4th – 6th October. We had a fabulous time at Condover Hall in Shropshire. We got off to a dodgy start with the coach breaking down just this side of Oxford, and having to wait 3.5 hours for a replacement(!), but the rest of the weekend couldn't

have been better. The sun shone all weekend, and the girls (and coaches) had a great time playing netball and taking part in all the other activities provided by the centre.

Thank you to Alex for organising the tour. We will be looking for someone to organise tour next year, so please let me know if you are interested. *** Jane ***
