

STC SCHOLARSHIP APPLICATION FORM 2019

Somis Thursday Club

The Somis Thursday Club is one of the oldest clubs in Ventura County. We have been active in the Somis and Camarillo communities for over 100 years. The club supports projects in the areas of the arts, conservation, literacy and public affairs. We own a historic old schoolhouse and are active in restoring and preserving it. The club members are interested in giving assistance to students in our community in the form of two \$1000 scholarships each year. Our website is www.somisthursdayclub.org
