

15. Fun Patches Supply – Tuesday with Pat Flath

**Fun Patches  
Adirondack Quilt  
Camp  
2020**

Pattern: **Fun Patches by Trudie Hughes**

This quilt is a delightful way to show off those special fabrics such as butterflies, Mickey Mouse characters, oriental fabrics, dogs, cats, etc.

Two sizes, either a Crib size of about 33 ½ x 42, using 12 blocks or a  
Lap size of about 50 x 60 inches which uses 20 squares.

**Fabric requirements**

Background – ¾ yard (1 ¼ yards for Lap)

Dark Shadow Fabric – 3/8 yard (5/8 yard for Lap)

Assorted strips 2” wide for small borders on blocks.

12 squares measuring 4 ½ inches for block centers for crib

**OR**

20 squares measuring 5 ½ inches for Lap

Outside Border – ½ yard (¾ yard for Lap) if not directional

1 ¾ yards (2 yards for Lap) if directional fabric is used.

**Supplies:**

Pattern

Sewing machine in good working order (cleaned and oiled)

Sewing machine directions book

Sewing machine needles

Several bobbins filled with sewing thread

Rotary cutter

Rotary cutting board

Rulers

Extension cord

Scissors

Seam ripper

Piecing thread

Bobbins

Basic sewing supplies

You might want to bring a flannel sheet to act as a design wall.

Cutting directions:

**Precut your squares before coming to the class.**

## **Bird Block Fun Patch Additional Instructions**

These are the directions for making a quilt that would approximate the sample shown on the web site.. It uses rectangles, rather than squares.

It was made to fit a specific space, so you might want to alter the dimensions, however, we would have to do the calculations before you got too far in the process.

1. Cut Bird rectangles 6.5" x 5"

2. I made all the frames from the same fabric, so I cut the fabric into:

2 strips: 2" x WOF

Cut these into segments: 2" x 5"

2" x 9.75"

(you need two of each segment to complete the framing of one block)
