## Weddings and Special Events

### Ceremony Package \$475

Weddings are beautiful occasions. If your wedding is being held outdoors, in a unique location, or at a community center, guests may have trouble hearing the ceremony. This package ensures that guests can hear and adds the flexibility to use a playlist for background and processional music.

- Wireless lapel microphone for officiant
- Wired floor microphone for couple
- 2 powered speakers with stands
- Audio patch for mobile device or laptop for music
- Stereo mixer
- Delivery and set-up

### Reception Package \$450

With advances in technology, many people now prefer to create their own playlist for their wedding reception or special event. This package connects your mobile device or laptop to a sound and announcement system.

- Wireless handheld microphone for announcements and speeches
- 2 powered speakers with stands
- Audio patch for iPod or laptop for music
- Stereo mixer
- Delivery and set-up
