RESOLUTION OF INTENT TO IMPOSE AN INCREASE IN LEVIES FOR FISCAL YEAR 2019

As an essential part of its budgeting process, the Scobey School District Board of Trustees is authorized by law to impose levies to support its budget. The Scobey School District Board of Trustees estimates the following increases/decreases in revenues and mills for the funds noted below for the next school fiscal year beginning July 1, 2019, using certified taxable valuations from the current school fiscal year as provided to the district:

SCOBEY SCHOOL DISTRICT

Fund Supported	Est Change in Revenues*	Est Change in Mills*	Est Impact Home of \$100,000*	Est Impact Home of \$200,000*
Transportation	\$29,934.00 increase	3.88 increase	\$4.24 increase	\$10.48 increase
Bus Depreciation	\$45,668.00 increase	5.92 increase	\$7.99 increase	\$15.98 increase
Tuition	\$ - inc/dec	0.00 inc/dec	\$ - inc/dec	\$ - inc/dec
Adult Education	\$ - inc/dec	0.00 inc/dec	\$ - inc/dec	\$ - inc/dec
Building Reserve	\$59,600.00 increase	7.73 increase	\$10.44 increase	\$20.88 increase
Total	\$135,202.00 increase	17.53 increase	\$23.67 increase	\$47.34 increase

***impacts above are based** on current certified taxable valuations from the current school fiscal year of \$7,705,351

The increase in the Transportation levy will allocate funding for annual costs associated with transportation of students to and from school. These are regular inflationary costs including wages, fuel, maintenance and supplies. To offset costs associated with reduction in revenue - final budget figures will be decreased or funds will be transferred from other funds.

The change in Bus Depreciation is due purchase of \$275,000.00 activity bus to replace an older activity bus. All buses will be depreciated at the maximum amount to facilitate payment of \$200,000 intercap loan to purchase Activity bus The establishment of a Building Reserve fund increases levys in this fund as it was not previously levied for. This is the maximum by law that can be levied in this fund annually. These funds will be used for maintenance and repairs to the school facility. No funds will be utilized until required repairs are completed.

These are all estimates and may change with final FY18 budget.

By Ms. Wittak

March 2018 Scobey FCCLA joined together with FCCLA student leaders, members, and advisers from across the state at the Billings Convention Center in Billings, MT March 18th-20th to participate in the annual Montana FCCLA State Leadership Conference (SLC).

The conference provided Scobey students opportunities come together for exciting workshops while listening to motivational speakers, expanding leadership skills, challenging other members in competitive events and exploring college and career pathways. The theme of this year's conference was "Destination Inspiration", which, with the help of speaker Kyle Scheele, inspired attendees to remember that "It Only Takes One" to make a positive impact within their families, schools, FCCLA, and communities.

"The conference is a culmination of hard work that starts at the beginning of the school year, and it provided our student members an opportunity to attend leadership training, showcase their skills via competitive events, listen to inspiring speakers and more. A highlight was celebrating their accomplishments and successes during the awards session! Montana FCCLA is proud of all our members have done to impact their communities and themselves to make a positive difference in today's society," said Megan Vincent, Montana FCCLA State Adviser and FCS Specialist at the Montana Office of Public Instruction.

Trey Girard, Daria Pashkova and Erin Hagan from Scobey participated in Leadership Training during the conference and received recognition on behalf of the Scobey Chapter for their Vision Zero Project- concerning Distracted Driving Prevention.
