

CIVIL DEFENSE AND DISASTERS**POLICY**

The Valley Stream Union Free School District #24 ("the District") will cooperate with the agencies involved with civil defense and community agencies. The District will plan with the civil defense and community agencies for the use of all facilities in times of emergency.

The District will develop and maintain an updated plan for the welfare of the students of the District in the event of a major emergency. The plan shall be worked out in conjunction with those agencies who might be involved and will comply with all requirements of New York State Education Law § 2801-a(3).
