About Me

Things I love/like to do: I love being outdoors! I love Alaska (whale watching is my new favorite thing to do!), flower gardening, rummage sales, drinking coffee (especially from Babbs), going for walks, listening to audio books and/or reading, doing yard work.

My very favorite thing to do is laugh! This is part of why I love teaching! Kids are HILARIOUS! I also think they have really important things to say. If you actually take the time to get down to their level and REALLY listen to them, they will amaze you every single time!

I'm always up for watching TV news bloopers and funny falling videos! Makes me laugh ever time!

When I'm not teaching I can be found getting a bargain at rummage sales, working in my yard, singing, reading a book, spending time playing games or watching movies with my family.

I love the color blue, but wear almost exclusively black! I love all kinds of salty snacks, especially pretzels! I LOVE wearing hilarious T-shirts. I have a pretty good collection of them and I'm always looking for more that make me laugh. I also enjoy all things coffee! A vanilla latte from Babb's Coffee House is my all-time favorite, but I love pretty much any iced coffee drink I've ever met, too!

I love teaching at VCS because I get to combine my two greatest passions: my love for the Lord, and my love for teaching. It is a gift and an honor to be able to share God's love and truth with children and their families every single day through the world of academics.

My favorite Bible verse is Philippians 4:8 because when my mind is set on this verse, these same things flow from my heart!

"Finally , brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy, think about such things."
